Transferee agrees to give Lessor thirty (30) days' prior written notice of any relocation of said chief executive offices or principal place of business from its present location, or of any change in its name or identity. Since its organization, Transferee has not changed its name, done business under any other names, changed its chief place of business from its present location or merger or been the surviving entity of any merger.

(g) Documents on Board. A current and valid Registration Application or Certificate of Aircraft Registration, and a copy of the Lease and the Lease Supplements, will be kept on board the Aircraft at all times during the Term. In addition, for all operations outside the continental United States, the Lessee shall maintain either a permanent Certificate of Registration or "fly-time wire" (FAA Standard Form 14) on board the Aircraft.

(h) [This subsection (h) intentionally left blank.]

(i) Litigation. There are no proceedings pending or, so far as the officers of Transferee know, threatened against or affecting Transferee or any of its property before any court, administrative officer or administrative agency which would, directly or indirectly, adversely affect or impair the title of Lessor to the Aircraft, or which, if decided adversely, materially and adversely affect the financial condition or operations of Transferee or the ability of Transferee to perform its obligations under the Lease.

(j) No Adverse Mortgages. The right, title and interest of Lessor in and to the Aircraft and the Rent will not be adversely affected or impaired by the terms of any mortgage, loan agreement or indenture or any other contract, agreement or instrument to which Transferee is a party, or under which it or any of its property is or may become bound. In addition, no mortgage, deed of trust, or other Lien which now covers or affects, or which may hereafter cover or affect, any property or interest therein of Transferee, now attaches or hereafter will attach to the Aircraft, the Airframe or any Engine, or in any manner affects or will affect adversely Lessor's right, title and interest therein.

(k) Taxes. Transferee has filed or caused to be filed and will continue to file all Federal, state and local tax returns which are required to be filed, and has paid or caused to be paid and will continue to pay all taxes shown to be due and payable on such returns or (except to the extent being contested in good faith) on any assessment received by Transferee, to the extent that such taxes have heretofore or in the future become due and payable.

(l) Good Title. Lessor is the owner of the Aircraft as of the Acceptance Date and has good and marketable title to the Aircraft, free and clear of all Liens other than any Liens created in favor of Lessor under the Lease or other Permitted Liens.

(m) Records. Transferee has reviewed all Records with respect to the operation and maintenance of the Aircraft prior to the Acceptance Date and, to Transferee's knowledge, such Records have been kept in accordance with the requirements of the FAA rules and regulations and industry standards. Transferee shall maintain all such Records during the Term in accordance with the requirements of the FAA, and any manufacturer's maintenance programs or requirements as the requirements of the Lease.

(n) [This subsection (n) intentionally left blank.]

(o) Addenda, Exhibits and Riders. Transferee shall perform all of its agreements, undertakings and obligations set forth in the Addenda, Exhibits and Riders to the Lease and shall comply with all of the terms and conditions set forth in such Addenda, Exhibits and Riders.

(p) U.S. Citizen. The Transferee is and will continue to be a "citizen of the United States" within the meaning set forth in 49 USC Section 40102(a)(15).

(q) Engines. Each of the Engines has 750 or greater rated takeoff horsepower or the equivalent of such horsepower.

(r) Incidental Use. The operation of the Aircraft by Transferee is incidental to a business purpose of Transferee (other than the business of transportation by air).

(s) Due Authorization of Guarantor. No Violation. Each Guaranty has been duly authorized by all necessary action on the part of such Guarantor consistent with its form of organization, does not require any further approval, does not require the approval of, or the giving notice to, any Federal, state, local or foreign governmental authority (including, without limitation, the Department of Transportation and/or the FAA) and does not contravene any law binding on such Guarantor or contravene any provision of, or constitute a default under any certificate or articles of incorporation or organization or by-laws or partnership certificate or agreement, or any agreement, indenture, or other instrument to which such Guarantor is a party or by which it may be bound.

(t) Binding Obligations of Guarantor. Each Guaranty has been duly executed and delivered by an authorized representative of such Guarantor and constitutes the legal, valid and binding obligations of such Guarantor enforceable against such Guarantor in accordance with its respective terms, except to the extent that enforcement may be limited under applicable bankruptcy and insolvency laws.

(u) Litigation Regarding Guarantor. There are no proceedings pending or, so far as the officers or other authorized parties of Transferee know, threatened against or affecting either Guarantor or any of its property before any court, administrative officer or administrative agency that would, if decided adversely, materially and adversely affect the financial condition or operations of such Guarantor or the ability of such Guarantor to perform its obligations under the Guaranty to which it is a party.

(v) Guarantor Financial Statements. Transferee agrees to cause Corporate Guarantor to make available to Lessor (i) as soon as available, and in any event within one hundred twenty (120) days after the last day of each fiscal year of Corporate Guarantor, a copy of the balance sheet of Corporate Guarantor as of the end of such fiscal year, and related statements of income and retained earnings of Corporate Guarantor for such fiscal year, all in reasonable detail prepared in accordance with generally accepted accounting principles consistently applied and certified by an independent certified public accounting firm of recognized standing and which is reasonably acceptable to Lessor, each on a comparative basis with corresponding statements for the prior fiscal year; and (ii) within forty five (45) days after the last day of each fiscal quarter of Corporate Guarantor (except the last fiscal quarter of any fiscal year), a copy of the balance sheet of Corporate Guarantor as of the end of each such quarter, and statement of income and retained earnings covering the fiscal year to date of Corporate Guarantor, each on a comparative basis with the corresponding period of the prior year, all in reasonable detail and certified by the treasurer or principal financial officer of Corporate Guarantor. Notwithstanding the foregoing, in the event that Corporate Guarantor has debt or equity securities regulated by the SEC, Corporate Guarantor shall make available to Lessor all reports, forms and other filings, if any, required to be made by Corporate Guarantor to the SEC including, without limitation, any SEC Forms 10-K and 10-Q and related reports or documents within thirty (30) days after the date on which they are filed and this shall be deemed to satisfy the requirements of this paragraph. All credit, financial and other information provided by Corporate Guarantor or at Corporate Guarantor's direction is, and all such information hereafter furnished will be, true, correct and complete in all material respects.

(w) Consideration for Guaranty. Each Guarantor will receive reasonably equivalent value and adequate and sufficient consideration in exchange for the giving of the Guaranty to which it is a party. Neither Guarantor is insolvent on the date hereof and neither will become insolvent after giving effect to the Guaranty to which it is a party and the contingent liabilities contained herein. Each Guarantor has sufficient capital to perform its obligations under the Guaranty to which it is a party. The performance of the obligations by each Guarantor under the Guaranty to which it is a party will not cause each Guarantor to exceed its ability to pay its debts as they mature.

(x) Wholly-Owned Limited Liability Company. Transferee shall at all times be a wholly-owned and controlled limited liability company of the Corporate Guarantor.

SECTION 8. Representations and Warranties of Transferor. Transferor represents and warrants to Lessor that (i) Transferor's execution and delivery of this Agreement and any other documents, agreements and instruments executed or delivered in connection therewith have been duly authorized and executed on its part and will be a legal, valid, binding and enforceable agreement against Transferor in accordance with its terms; (ii) Transferor has full power and authority to execute, deliver and perform its obligations under or in connection with this Agreement, and any other documents, agreements and instruments executed or delivered in connection therewith; and, (iii) all required consents for Transferor's execution, delivery and performance of this Agreement and any other documents, agreements and instruments executed or delivered in connection therewith have been duly obtained.

TRANSFEE AND TRANSFEROR ACKNOWLEDGE AND AGREE THAT THIS AGREEMENT AND ANY DOCUMENTS RELATED HERETO ARE COMMERCIAL TRANSACTIONS. This Consent to Aircraft Management Agreement and Charter Agreement and Assignment dated as of November 27, 2001 (the "Consent"), by and among Fleet National Bank ("Lessor"), SM 5105 LLC ("Lessee"), a Delaware limited liability company, Pentastar Aviation, LLC, ("Manager"), a Michigan limited liability company, and Automotive Air Charter, Inc., a Delaware corporation ("Certificate Holder").

RECITALS

WHEREAS, Lessor and Lessee have entered into a certain Aircraft Lease (N599DA) dated March 30, 2001, regarding a certain Bombardier Inc. CL-600-2B16 Aircraft, manufacturer serial number 5498, United States Registration and Nationality Number N599DA and a certain Aircraft Lease (N699DA) dated March 30, 2001, regarding a certain Learjet 60 Aircraft, manufacturer serial number 237, United States Registration and Nationality Number N699DA (hereinafter collectively referred to as the "Lease" and the "Aircraft", respectively) pursuant to which, among other things, the Lessor financed the Aircraft for the Lessee (terms not otherwise defined herein being assigned the meanings set forth therefor in the Agreement); and

WHEREAS, the Lessee desires to engage the Manager to provide certain services to the Lessee regarding the Aircraft pursuant to a certain Aircraft Management Agreement dated November 26, 2001 (the "Management Agreement") a copy of which is attached hereto as Schedule 1; and

WHEREAS, to facilitate the charter of the Aircraft to third parties, the Lessee desires to enter into a certain Agreement For FAR 135 Operations with Certificate Holder dated November 26, 2001 (the "Charter Agreement") a copy of which is attached hereto as Schedule 2; and

WHEREAS, the Lessor is willing to consent to the Management Agreement and the Charter Agreement, subject to the terms and conditions hereafter set forth.

NOW THEREFORE, in consideration of the agreements and covenants contained herein, and intending to be legally bound hereby, the Lessor, Lessee and Manager mutually agree as follows:

1. The Management Agreement shall be in substantially the form attached hereto as Schedule 1 and shall not be amended, modified, waived, supplemented or otherwise changed in any way whatsoever without the prior written consent of the Lessor, which consent will not be unreasonably withheld.

2. The Charter Agreement shall be in substantially the form attached hereto as Schedule 2 and shall not be amended, modified, waived, supplemented or otherwise changed in any way whatsoever without the prior written consent of the Lessor, which consent will not be unreasonably withheld.

3. Lessee hereby acknowledges to Lessor that it is now and continues to be primarily and fully obligated by the terms and conditions of the Lease notwithstanding any delegation of duties under or any other term of any kind whatsoever of the Management Agreement or the Charter Agreement. Any such delegation shall be effective only as between Lessee and Manager or Certificate Holder, as the case may be.

4. Lessee, Manager and Certificate Holder each, as the context may require and with respect to itself only, hereby represents, agrees and covenants, as the case may be, that:

(a) Lessee's, Manager's and/or Certificate Holder's interest, and the interest of any third party claiming by through or under any such party (including any charterer or lienholder, any, a "Third Party Interest Holder"), if any, in or under the Management Agreement, the Charter Agreement or any charter or other agreement entered into pursuant thereto (a "Related Agreement"), and the Aircraft, shall be expressly subject and subordinate in all respects to all of the Lessor's rights, powers and remedies under the Lease (a true and complete copy of the Lease is attached hereto and made part hereof as Schedule 3).

(b) Upon the occurrence of an Event of Default (as defined in the Lease) and during the continuance thereof, Manager and Certificate Holder hereby agree, upon the request or

demand by the Lessor, to make all payments and other sums due under the Management Agreement and/or the Charter Agreement directly to the Lessor, subject to any abatement, deduction, set-off, defense, counterclaim, recoupment, or other right of Manager or Certificate Holder against Lessee under the Management Agreement and/or the Charter Agreement, as applicable, if and so long as determined to be valid by a court of competent jurisdiction (any of the same, an "Abatement").

(c) Lessor shall have no obligation of any kind whatsoever to perform any of the obligations or duties under the Management Agreement or the Charter Agreement or any other agreement entered into in connection therewith, including, without limitation, payment of any fees, taxes or other sums, furnishing of maintenance, repairs, replacement aircraft, service, insurance or otherwise (except that the amounts payable to Lessor pursuant to Section 4(b) may be reduced by any Abatements).

(d) The Aircraft shall be principally based at 7310 Highland Road, Oakland County International Airport, Waterford, MI 48327.

(e) Manager and Certificate Holder agree that the Lessor or its designated employee(s) or agent(s) may inspect the Aircraft at its location during normal business hours (provided that the Aircraft is not-in-flight at the time of such inspections).

(f) Lessee agrees that, notwithstanding any provision of the Management Agreement and/or the Charter Agreement to the contrary, (i) except as expressly permitted in the Lease, (A) the Aircraft shall not be used, chartered, operated, located, leased, subleased, assigned, interchanged or otherwise disposed, conveyed, encumbered or transferred in any way whatsoever, and (B) none of Lessee, the Manager, or the Certificate Holder shall use the Aircraft outside the continental United States; and (ii) none of Lessee, the Manager, or the Certificate Holder shall have any other rights, interests, powers or remedies in or with respect to the Aircraft under the Management Agreement and/or the Charter Agreement, except to the extent consistent with the Lease.

(g) The Management Agreement and the Charter Agreement shall terminate and control of the Aircraft will be returned to Lessee (or, if applicable, to the Lessor) on or before the expiration or earlier termination or cancellation of the term of Lease with respect to the Aircraft.

(h) Any notice of termination required to be given by the Manager or the Lessee under the Management Agreement or by the Certificate Holder or the Lessee under the Charter Agreement shall be sent concurrently to the Lessor.

(i) [Reserved]

(j) Upon the written request of the Lessor (or in the case of Lessee, as and when required under the Lease), any or all of the Manager, Certificate Holder and Lessee, as applicable, shall provide Lessor with evidence of insurance as required under the Lease (and of the continuing authority of the Manager, Certificate Holder and Lessee to operate the Aircraft).

(k) Upon the execution of the Management Agreement and the Charter Agreement, the Management Agreement and the Charter Agreement will have been duly authorized, executed and delivered by Lessee, the Manager and the Certificate Holder, as applicable; the Management Agreement and the Charter Agreement will be legal, valid, binding and enforceable agreements against Manager, Certificate Holder and Lessee in accordance with their terms.

(l) Each of the Lessee, the Manager and /or the Certificate Holder, as the case may be, is a citizen of the United States within the meaning of the Subtitle VII of Title 49 of the United States Code, as amended and recodified.

(m) Lessee assumes liability for, and hereby agrees to indemnify, protect, save, defend and keep harmless Lessor, its agents, employees, officers, directors, shareholders, subsidiaries, affiliates, successors, and assigns (the Lessor and all of such parties are sometimes individually or collectively, as the contest requires, referred to as the "Indemnified Party"), on a net after-tax basis, from and against any and all liabilities, obligations, losses, damages, penalties, claims (including, without limitation, claims involving or alleging product liability or strict or absolute liability in tort), actions, suits, demands, costs, expenses and disbursements (including, without limitation, legal

fees and expenses) of any kind and nature whatsoever ("Claims") which may be imposed on, incurred by or asserted against the Indemnified Party, whether or not the Indemnified Party shall have the right to be indemnified as to any such Claim by any other person, in any way relating to or arising out of the Management Agreement, the Charter Agreement or any documents contemplated thereby, or the performance or enforcement of any of the terms hereof or thereof, or in any way relating to or arising out of the manufacture, inspection, construction, purchase, acceptance, rejection, ownership, titling or re-titling, delivery, lease, sublease, possession, use, operation, maintenance, condition, registration or re-registration, sale, return, removal, repossession, storage or other disposition of the Aircraft or any part thereof or any accident in connection therewith (including, without limitation, latent and other defects, whether or not discoverable, and any Claim for patent, trademark or copyright infringement); provided, however, that Lessee shall not be required to indemnify the Indemnified Party for (a) any Claim caused by the gross negligence or willful misconduct of the Indemnified Party or (b) any Claim in respect of the Aircraft arising from acts or events which occur after (x) possession of the Aircraft has been redelivered to Lessor (which return and delivery shall be in full and complete compliance with the terms of the Lease), and (y) any and all other obligations of any kind whatsoever of the Manager under the Management Agreement, of the Certificate Holder under the Charter Agreement and of Lessee under the Lease have been fully paid and/or performed, as the case may be, unless any such Claims were caused by Lessee (or any stockholder, director, officer, employee, successor, assignee, agent or servant, as the case may be of the Lessee) or resulted or arose, directly or indirectly, from any acts, events or omissions of any kind whatsoever during the term of the Management Agreement, the Charter Agreement and/or the Lease. The foregoing indemnification shall be subject to the same reduction and subrogation provisions set forth in the Lease with respect to the general indemnity provided in Section 11 of the Lease. If any Claim is made against Manager, Certificate Holder, Lessee or an Indemnified Party, the party receiving notice of such Claim shall promptly notify the others, but the failure of the party receiving notice to so notify the other shall not relieve Lessee of any obligation hereunder. WITHOUT LIMITING THE GENERALITY OF THE TERMS HEREOF, EACH OF LESSEE, MANAGER AND CERTIFICATE HOLDER AGREES THAT INDEMNIFIED PARTY SHALL NOT BE LIABLE TO ANY OF LESSEE, MANAGER OR CERTIFICATE HOLDER FOR ANY CLAIM CAUSED DIRECTLY OR INDIRECTLY BY THE INADEQUACY OF THE AIRCRAFT OR ANY PART THEREOF FOR ANY PURPOSE OR ANY DEFICIENCY OR DEFECT THEREIN OR THE USE OR MAINTENANCE THEREOF OR ANY REPAIRS, SERVICING OR ADJUSTMENTS THERETO OR ANY DELAY IN PROVIDING OR FAILURE TO PROVIDE ANY OF THE SAME OR ANY INTERRUPTION OR LOSS OF SERVICE OR USE THEREOF OR ANY LOSS OF BUSINESS, OR PROFITS ALL OF WHICH SHALL BE THE SOLE RISK AND RESPONSIBILITY OF LESSEE.

(n) Without limiting any term of this Consent or the Lease, upon the occurrence of an Event of Default and for so long as the same shall be continuing, Lessor shall be entitled to exercise any and all of its rights, powers and/or remedies under the Lease, including, without limitation, Lessor's rights of repossession thereunder, notwithstanding the Management Agreement, the Charter Agreement or any right of quiet enjoyment, or any other right to lease and use the Aircraft, thereunder, and Lessee, Manager and Certificate Holder (i) shall not interfere with, nor suffer or permit any Third Party Interest Holder to interfere with, any such rights, powers and/or remedies as a result of the Management Agreement or the Charter Agreement or any Related Agreement, or any of their respective interests arising thereunder, including, without limitation, any right of quiet enjoyment, or any other right to lease, charter, possess, operate and/or use the Aircraft, under the Management Agreement, Charter Agreement or any Related Agreement, and (ii) shall deliver the Aircraft to the Lessor upon a proper demand therefor.

5. In consideration of the Lessor entering into this Consent, to the extent that it has not already done so, Lessee hereby assigns, conveys, pledges, hypothecates and transfers to the Lessor a first security interest in all of its right, title and interest in, to and under (i) the Management Agreement and the Charter Agreement (and all extensions and renewals thereof), (ii) any and all rentals, payments and any other sums of any kind whatsoever due, now or hereafter, under the Management Agreement and any Charter Agreement, (iii) any and all proceeds of any insurance required or maintained under the Agreement and/or Charter Agreement, (iv) all products and proceeds of the foregoing and (v) true copies of all present and future books and records relating to any of the foregoing, including, without limitation, all tapes, cards, computer programs, computer runs and computer data in the possession or control of the Lessee, any computer service bureau or other third party; (but not any of Lessee's obligations, liabilities and/or duties of any kind whatsoever as lessee or otherwise under, or with respect to, the Management Agreement and/or the Charter Agreement and/or the Aircraft). Notwithstanding the foregoing assignment, (i) until the occurrence of an Event of Default, (ii) only while the same is continuing, and (iii) after notice to the Manager and Certificate Holder of the Event of

Default, Manager and Certificate Holder, as applicable, shall pay Lessor all rentals, payments and other sums payable under the Management Agreement or the Charter Agreement. Upon any such Event of Default and notice from the Lessor, and while the same is continuing, Lessee hereby authorizes and directs Manager and Certificate Holder to directly pay to Lessor, or as Lessor may otherwise direct, any and all payments and any other sums of any kind whatsoever payable and to become payable under the Management Agreement or the Charter Agreement (collectively, "Agreement Payments"), and Manager and Certificate Holder agree to the foregoing. After the Lessor notifies Manager and/or Certificate Holder to pay it directly as provided herein, Lessee hereby agrees to hold in trust for Lessor any Agreement Payments it receives from Manager, Certificate Holder or any other party and to immediately upon receipt of any Agreement Payments to direct, pay and turn-over to Lessor any such Agreement Payments without any set-off, deduction, defense, counterclaim, recoupment or claim of any kind whatsoever.

6. The Lessee hereby irrevocably constitutes and appoints Lessor and any other officer of agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Lessee and in the name of Lessee or in its own name, from time to time in Lessor's discretion, for the purpose of carrying out the terms of this Consent, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Consent; that the Lessee hereby ratifies all that said attorney shall lawfully do or cause to be done by virtue hereof, that this power of attorney is a power coupled with an interest and shall be irrevocable (to the extent permitted by law); and that, without limiting the generality of the foregoing, pursuant to such appointment, the Lessor shall have authority to endorse the Lessee's name on any checks, notes, drafts or any other payments or instruments constituting Agreement Payments which came into the Lessor's possession or control. Such power of attorney shall terminate upon the termination or expiration of the Management Agreement.

7. The Lessee agrees that the powers conferred on Lessor hereunder are solely to protect the Lessor's interest in the Management Agreement, the Charter Agreement and/or the Aircraft and shall not impose any duty upon Lessor to exercise any such powers, and that Lessor shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, shareholders, employees or agents shall be responsible to the Manager, the Certificate Holder, the Lessee or otherwise for any act or failure to act.

8. Lessee agrees that at any time and from time to time, upon the written request of Lessor, Lessee will promptly and duly execute and deliver or cause to be duly executed and delivered any and all further instruments and documents as Lessor may deem desirable in order to perfect its security interest in the Management Agreement and the Charter Agreement, to deliver to Lessor that fully executed copy of the Management Agreement or the Charter Agreement, which is, and will be, the only copy marked "Secured Party's Original." To the extent, if any, the Management Agreement or the Charter Agreement constitutes chattel paper under the Uniform Commercial Code, no security interest in the Management Agreement or the Charter Agreement may be created through the transfer and/or possession of any counterpart other than the counterpart marked "Secured Party's Original." All other copies of the Management Agreement or the Charter Agreement shall be prominently marked "Not an Original. Only the counterpart marked 'Secured Party's Original' shall be sufficient to create a security interest herein."

9. Manager and Certificate Holder agree that at any time and from time to time, upon the written request of Lessor, Manager and/or Certificate Holder, as applicable, will promptly and duly execute and deliver or cause to be duly executed and delivered any and all further instruments and documents as Lessor may deem desirable or necessary in order to carry out more effectively the intent and purposes of this Consent and/or to establish and protect the rights and remedies created or intended to be created in favor of Lessor and/or to perfect its security interest in the Management Agreement and the Charter Agreement and in any other items or matters related thereto.

10. Notwithstanding anything to the contrary contained herewith or otherwise, the Lessor does not by virtue of this Consent or otherwise assume any obligations, liabilities and/or duties of any kind whatsoever of the Lessee, of the Manager, of the Certificate Holder and/or of any other party whatsoever under, or with respect to, the Management Agreement, the Charter Agreement and/or the Aircraft and the Lessor shall not be responsible in any way whatsoever for the performance by the Lessee, by the Manager, by the Certificate Holder and/or by any other party whatsoever in connection with, relating to, or arising under, the Management Agreement, the Charter Agreement and/or the Aircraft.

11. This Consent shall be binding upon each of the Lessor, the Lessee, the Manager,

and the Certificate Holder and their respective heirs, administrators, successors, transferees and assigns and the benefits hereof shall extend to and include the Lessor, the Lessee, the Manager, and the Certificate Holder and their respective heirs, administrators, successors, transferees and assigns. All of Lessor's, Lessee's, Manager's and Certificate Holder's rights and privileges contained herein shall survive the expiration or other termination of the Management Agreement, the Charter Agreement or this Consent.

12. THIS CONSENT SHALL NOT BE MODIFIED, ALTERED, AMENDED OR WAIVED IN WHOLE OR IN PART EXCEPT IN WRITING DULY SIGNED BY EACH PARTY OR BY EACH PARTIES' AUTHORIZED REPRESENTATIVE. ANY WAIVER SHALL BE EFFECTIVE ONLY IN THE SPECIFIC INSTANCE AND FOR THE SPECIFIC PURPOSE FOR WHICH IT IS GIVEN. NO FAILURE TO EXERCISE, OR DELAY IN EXERCISING, ANY RIGHT HEREUNDER SHALL OPERATE AS A WAIVER THEREOF; NOR SHALL ANY FAILURE TO EXERCISE, OR PARTIAL EXERCISE OF, ANY RIGHT HEREUNDER PRECLUDE ANY OTHER OR FURTHER EXERCISE THEREOF OR THE EXERCISE OF ANY OTHER RIGHT.

13. If any provision in this Consent or any part thereof is held invalid or unenforceable, such invalidity or unenforceability shall not affect or impair the validity or the enforceability of the remaining provisions, or any part thereof, of this Consent.

14. Subject to the foregoing terms and conditions, Lessor hereby consents to the execution and delivery of the Management Agreement and the Charter Agreement and, as required by the Lease, Lessee, Manager and Certificate Holder hereby consent to the assignment of the Management Agreement and the Charter Agreement, as set forth herein to Lessor.

15. Except as expressly modified or amended herein, the terms and conditions of the Lease shall remain in full force and effect in accordance with their respective original tenor. Without limiting the generality of the foregoing or any other terms of this Consent, nothing contained herein shall be interpreted or construed in any way whatsoever to limit the various provisions of the Lease except as otherwise expressly provided herein.

16. This Consent may be executed in any number of counterparts and by the different parties hereto on separate counterparts. Execution in counterpart shall have the same effect as if the signatures thereto and hereto were upon the same instrument.

FEDERAL AVIATION
ADMINISTRATION

Section 1. Lease and Acceptance of Aircraft.

Subject to the satisfaction of each condition set forth in Section 2, Lessor hereby agrees to purchase the Aircraft from the Supplier pursuant to that certain Aircraft Purchase Agreement specified in Section 1 of Lease Supplement No. 2 hereto and to lease the same to Lessee and Lessee hereby agrees to lease the same from Lessor for the Basic Term hereof pursuant to the terms and conditions of this Lease. The sale of the Aircraft to Lessor shall include all of Supplier's right, title and interest in and to the Aircraft.

Lessor hereby appoints Lessee as Lessor's agent for the sole and limited purpose of accepting delivery of the Aircraft from the Supplier. The execution by Lessee of Lease Supplement No. 1 shall evidence that the Aircraft is leased under, and is subject to all of the terms, provisions and conditions of, this Lease and constitute Lessee's unconditional and irrevocable acceptance of the Aircraft for all purposes of this Lease. Except as may be expressly set forth herein, this Lease is non-cancelable and non-terminable by Lessee.

Section 2. Conditions to Closing.

(a) Conditions Precedent. Lessor's obligations to purchase the Aircraft from the Supplier and to lease the Aircraft to Lessee, shall each be both subject to and conditioned upon all of the following conditions being satisfied:

(i) Lessor shall have received the Closing Documents set forth on Lease Supplement No. 2 hereto, all in form and substance reasonably satisfactory to Lessor.

(ii) No material adverse change in the financial condition of Lessee has occurred since the date of the last financial statements furnished to Lessor as set forth on Schedule No. 2 to Lease Supplement No. 1.

(iii) Lessee's acceptance of the Aircraft on or before the Acceptance Date.

(iv) In addition to the above listed conditions precedent, Lessee covenants and agrees that upon Lessor's acknowledgment that all the conditions to the sale and lease as aforesaid have been satisfied, Lessee shall authorize the release, and cause each Guarantor to release, from escrow, to Lessor of the documents held by FAA Counsel on behalf of Lessee and shall authorize FAA Counsel to file and record all appropriate documentation with the FAA on the Acceptance Date.

(b) Conditions Subsequent. Lessee shall comply with the Conditions Subsequent set forth in Lease Supplement No. 2 hereto.

Section 3. Term and Rent.

(a) The leasing of the Aircraft by Lessor to Lessee shall commence on the Acceptance Date and end on the Expiration Date each as set forth on Schedule No. 2 to Lease Supplement No. 1, unless this Lease shall have been earlier terminated, cancelled or extended.

(b) Lessee shall pay to Lessor as basic rent (herein referred to as "Basic Rent") the following:

(i) On the Acceptance Date, an amount equal to the Daily Lease Rate, multiplied by the number of days elapsed from and including the Acceptance Date with respect to the Aircraft to but excluding the Rent Commencement Date.

(ii) On the First Basic Rent Date and on each Basic Rent Date thereafter, to and including the Last Basic Rent Date, an amount equal to the Basic Rent set forth on Schedule 2-A to Lease Supplement No. 1.

(iii) After the Expiration Date until the Aircraft is returned to the Lessor in accordance with the terms and conditions of this Lease, an amount equal to the Basic Rent. Such amount shall be payable from and after the Expiration Date until the return of the Aircraft to the Lessor as provided under this Lease. Such amount shall be payable on the same dates and with the same frequency as Basic Rent was payable during the Term.

(c) In addition, Lessee shall pay to Lessor the following amounts (herein referred to as "Supplemental Rent") and, together with all Basic Rent, collectively as "Rent"): (i) any other amount payable hereunder which Lessee assumes the obligation to pay, or agrees to pay, under this Lease to Lessor or others; (ii) on the date provided herein, any amount payable hereunder as Casualty Value and/or any amounts due pursuant to any Rider or Addendum hereto plus any and all amounts regarding the same; and (iii) interest at the lesser of the Late Payment Rate or the highest rate of interest permitted by applicable law for the number of days actually elapsed on any amount payable hereunder not paid when due. The expiration, cancellation or other termination of Lessee's obligation to pay Basic Rent hereunder shall not terminate, limit or modify the obligations of Lessee with respect to Supplemental Rent, which shall survive such expiration, cancellation or other termination of the Lease.

(d) All payments of Rent or other amounts required hereunder shall be made to Lessor in immediately available United States funds on the date payable hereunder at the address designated by Lessor for payment, by wire transfer to an account specified by Lessor or at such other address or to such other Person as Lessor may direct by notice in writing to Lessee.

Section 4. Title; Quiet Possession and Use.

Title to the Aircraft shall at all times remain in Lessor (or such other entity as Lessor shall designate) and at no time during the Term shall title become vested in Lessee. Unless Lessee exercises its purchase option, Lessee shall acquire no right, title or interest in or to the Aircraft except the right to use the Aircraft pursuant to the terms of this Lease.

Lessor warrants that during the term of this Lease, so long as no Event of Default has occurred and is continuing hereunder, Lessee's possession and use of the Aircraft shall not be divested or interfered with by Lessor or anyone claiming by, through or under Lessor.

The warranty set forth hereinabove is in lieu of all other warranties of Lessor, whether written, oral or implied, with respect to this Lease or the Aircraft, and Lessor shall not be deemed to have modified in any respect the obligations of Lessee pursuant to Section 7 hereof, which obligations are and shall remain absolute, irrevocable and unconditional under all events and circumstances whatsoever.

Section 5. Disclaimer and Assignment of Warranties.

LESSEE EXPRESSLY ACKNOWLEDGES THAT IT HAS SELECTED THE AIRCRAFT WITHOUT ANY ASSISTANCE FROM LESSOR, ITS AGENTS OR EMPLOYEES AND LESSEE EXPRESSLY AGREES THAT IT IS LEASING THE AIRCRAFT FROM LESSOR IN AN "AS IS" CONDITION. LESSEE FURTHER ACKNOWLEDGES THAT THE LESSOR HAS NOT MANUFACTURED OR SUPPLIED THE AIRCRAFT AND THAT THE LESSOR ACQUIRED OR WILL ACQUIRE THE AIRCRAFT AND/OR THE RIGHT TO POSSESSION THERETO IN CONNECTION WITH THIS LEASE. LESSOR SHALL NOT BE DEEMED TO HAVE MADE, AND LESSOR HEREBY EXPRESSLY DISCLAIMS, ANY REPRESENTATION OR WARRANTY (EXCEPT FOR THE WARRANTY OF QUIET POSSESSION AND USE), EITHER EXPRESS OR IMPLIED, AS TO THE AIRCRAFT, ANY PART THEREOF, ANY RECORDS, OR ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE DESIGN, CONDITION, CAPACITY OR DURABILITY OF THE AIRCRAFT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, USE OR OPERATION, THE QUALITY OF THE MATERIALS OR WORKMANSHIP OF THE AIRCRAFT, ITS VALUE OR AIRWORTHINESS, TITLE, SAFETY, THE ABSENCE OF ANY PATENT, TRADEMARK OR COPYRIGHT INFRINGEMENT OR LATENT DEFECT (WHETHER OR NOT DISCOVERABLE BY LESSEE), COMPLIANCE OF THE AIRCRAFT WITH THE REQUIREMENTS OF ANY LAW, RULE, REGULATION OR STANDARD PERTAINING THERETO, OR THE CONFORMITY OF THE AIRCRAFT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE DOCUMENT RELATING THERETO OR ANY INTERFERENCE OR ANY COURSE OF PERFORMANCE, COURSE OF DEALING OR USAGE OF TRADE, NOR SHALL LESSOR BE LIABLE, REGARDLESS OF ANY ACTUAL OR ALLEGED NEGLIGENCE OF LESSOR, FOR ANY DEFECTS, EITHER PATENT OR LATENT (WHETHER OR NOT DISCOVERABLE BY LESSEE), IN THE AIRCRAFT OR ANY PART THEREOF OR ANY DIRECT OR INDIRECT DAMAGE TO PERSONS OR PROPERTY RESULTING THEREFROM OR FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES OR FOR STRICT OR ABSOLUTE LIABILITY IN TORT. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, LESSEE HEREBY WAIVES ANY CLAIM (INCLUDING ANY CLAIM BASED ON STRICT OR ABSOLUTE LIABILITY IN TORT OR INFRINGEMENT) IT MIGHT HAVE AGAINST LESSOR FOR ANY LOSS, DAMAGE OR EXPENSE (INCLUDING, WITHOUT LIMITATION, DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGE, ANY LOSS OF BUSINESS OR PROFITS OR ANY INTERRUPTION OR LOSS OF SERVICE OR USE THEREOF) CAUSED BY THE AIRCRAFT OR BY LESSEE'S LOSS OF USE THEREOF FOR ANY REASON WHATSOEVER.

If the Aircraft is not delivered, does not operate as warranted, becomes obsolete, or is unsatisfactory for any reason whatsoever, Lessee shall make all claims on account thereof solely against the Manufacturer or Supplier and not against Lessor, and Lessee shall nevertheless pay all Rent and other sums payable hereunder. Lessee acknowledges that neither the Manufacturer or Supplier nor any sales representative or agent thereof, is an agent of Lessor, and no agreement or representation as to the Aircraft or any other matter by any such sales representative or agent of the Manufacturer or Supplier shall in any way affect Lessee's obligations hereunder.

So long and only so long as an Event of Default hereunder shall not have occurred and be continuing, and so long and only so long as the Aircraft shall be subject to this Lease and Lessee shall be entitled to possession of the Aircraft hereunder, Lessor assigns to Lessee and authorizes Lessee, at Lessee's expense, to assert for Lessor's account, all rights, claims and powers of Lessor against any manufacturer, supplier, vendor or dealer, including without limitation, any rights arising under any manufacturer's, vendor's or dealer's warranty on the Aircraft or any part thereof, (including, without limitation, any warranty of Manufacturer or Supplier). Notwithstanding the foregoing, Lessee shall not attempt to enforce any such performance in the name of Lessor by legal proceeding without Lessor's prior written approval. Lessor reserves the right to approve all pleadings and legal process bearing its name. Further, Lessor agrees to provide its reasonable cooperation to Lessee, at Lessee's expense, in connection with Lessee's exercise of the rights and powers assigned above.

Section 6. Representations, Warranties and Agreements of Lessee.

Lessee represents, warrants and agrees as follows:

Lessee has the form of business organization indicated in the caption of this Lease and is duly organized and existing in good standing under the laws of the state listed in the caption of this Lease and is duly qualified to do business wherever necessary to carry on its present business and operations, including, without limitation, the Primary Hangar Location, and to own its property.

(b) Due Authorization; No Violation. This Lease has been duly authorized by all necessary action on the part of Lessee consistent with its form of organization, does not require any further shareholder, member or partner approval, does not require the approval of, or the giving notice to, any Federal, state, local or foreign governmental authority (including, without limitation, the Department of Transportation and/or the FAA) and does not contravene any law binding on Lessee or contravene any provision of, or constitute a default under any certificate or articles of incorporation or organization or by-laws or partnership certificate or agreement, or any agreement, indenture, or other instrument to which Lessee is a party or by which it may be bound.

(c) Enforceability. This Lease has been duly executed and delivered by authorized representatives of Lessee and constitutes a legal, valid and binding obligation of Lessee enforceable in accordance with its terms.

(d) Reserved.

(e) Furnishing of Information. Lessee agrees that it shall furnish from time to time to Lessor such information relating to Lessee, its subsidiaries and/or affiliates as Lessor shall reasonably request.

(f) Name and Location of Chief Executive Offices. The chief executive offices and principal place of business of Lessee is located at the address set forth in Schedule No. 2 to Lease Supplement No. 1, and Lessee agrees to give Lessor thirty (30) days' prior written notice of any relocation of said chief executive offices or principal place of business from its present location, or of any change in its name or identity. Since its organization effective as of October 4, 2000, Lessee has not changed its name, done business under any other names, changed its chief place of business from its present location or merged or been the surviving entity of any merger.

(g) Documents on Board. A current and valid Registration Application or Certificate of Aircraft Registration and Standard Airworthiness Certificate (FAA Form AC 8100-2) pertaining to the Aircraft and a copy of this Lease and the Lease Supplements, will be kept on board the Aircraft at all times during the Term. In addition, for all operations outside the continental United States, the Lessee shall maintain either a permanent Certificate of Registration or "fly-time wire" (FAA Standard Form 14) on board the Aircraft.

(h) Litigation. There are no proceedings pending or, so far as the officers of Lessee know, threatened against or affecting Lessee or any of its property before any court, administrative officer or administrative agency which would, directly or indirectly, adversely affect or impair the title of Lessor to the Aircraft, or which, if decided adversely, materially and adversely affect the financial condition or operations of Lessee or the ability of Lessee to perform its obligations under this Lease.

(i) No Adverse Mortgages. The right, title and interest of Lessor in and to the Aircraft and the Rent will not be adversely affected or impaired by the terms of any mortgage, loan agreement or indenture or any other contract, agreement or instrument to which Lessee is a party, or under which it or any of its property is or may become bound. In addition, no mortgage, deed of trust, or other Lien which now covers or affects, or which may hereafter cover or affect, any property or interest therein of Lessee, now attaches or hereafter will attach to the Aircraft, the Airframe or any Engine, or in any manner affects or will affect adversely Lessor's right, title and interest therein.

(j) Taxes. Lessee has filed or caused to be filed and will continue to file all Federal, state and local tax returns which are required to be filed, and has paid or caused to be paid and will continue to pay all taxes shown to be due and payable on such returns or (except to the extent being contested in good faith) on RSCOMBS 361753

any assessment received by Lessee, to the extent that such taxes have heretofore or in the future become due and payable.

(k) Possession and Liens. Except as permitted by this Lease, Lessee will not sell, convey, transfer, exchange, lease or otherwise relinquish possession or dispose of the Aircraft, Engine or Part (except for delivery of possession of the Aircraft or any Engine or Part to another Person for testing, service, repair, maintenance, overhaul or, to the extent permitted hereby, alteration or modification), or attempt or offer to do any of the foregoing. Lessee will not directly or indirectly, voluntarily or involuntarily, create, incur, assume or suffer to exist any Liens on or with respect to the Aircraft or any Part, Lessor's title thereto or any interest of Lessor therein (and Lessee will promptly, at its own expense, take such action as Lessor deems necessary or advisable to duly discharge any such Lien), except Permitted Liens. In the event that Lessee fails to take action to discharge or remove any such Lien, Lessor may take such action as it deems necessary or appropriate to discharge or remove such Lien. Lessee shall reimburse Lessor on demand for any costs incurred by Lessor in connection with such action together with interest at the Late Payment Rate. Lessor's rights hereunder are in addition to, and not in derogation of, any other rights which Lessor may have hereunder, at law or in equity.

(l) Good Title. Lessor will be the owner of the Aircraft as of the Acceptance Date and will have good and marketable title to the Aircraft, free and clear of all Liens other than any Liens created in favor of Lessor under this Lease or other Permitted Liens.

(m) Records. Lessee has reviewed all Records with respect to the operation and maintenance of the Aircraft prior to the Acceptance Date and, to Lessee's knowledge, such Records have been kept in accordance with the requirements of the FAA rules and regulations and industry standards. Lessee shall maintain all such Records during the Term in accordance with the requirements of the FAA, and any manufacturer's maintenance programs or requirements as the requirements of this Lease.

(n) Addenda, Exhibits and Riders. Lessee shall perform all of its agreements, undertakings and obligations set forth in the Addenda, Exhibits and Riders hereto and shall comply with all of the terms and conditions set forth in such Addenda, Exhibits and Riders.

(o) U.S. Citizen. Lessee is and will continue to be a "citizen of the United States" within the meaning set forth in 49 USC Section 40102 (a) (15).

(p) Engines. Each of the Engines has 750 or greater rated takeoff horsepower or the equivalent of such horsepower.

(q) Incidental Use. The operation of the Aircraft by Lessee is incidental to a business purpose of Lessee (other than the business of transportation by air).

(r) Due Authorization of Guarantor, No Violation. Each Guaranty has been duly authorized by all necessary action on the part of such Guarantor consistent with its form of organization, does not require any further approval, does not require the approval of, or the giving notice to, any Federal, state, local or foreign governmental authority (including, without limitation, the Department of Transportation and/or the FAA) and does not contravene any law binding on such Guarantor or contravene any provision of, or constitute a default under any certificate or articles of incorporation or organization or by-laws or partnership certificate or agreement, or any agreement, indenture, or other instrument to which such Guarantor is a party or by which it may be bound.

(s) Binding Obligations of Guarantor. Each Guaranty has been duly executed and delivered by an authorized representative of such Guarantor and constitutes the legal, valid and binding obligations of such Guarantor enforceable against such Guarantor in accordance with its respective terms, except to the extent that enforcement may be limited under applicable bankruptcy and insolvency laws.

0 0 0 0 0 0 0 0 9 0 5

9-121

(t) Litigation Regarding Guarantor. There are no proceedings pending or, so far as the officers or other authorized parties of Lessee know, threatened against or affecting either Guarantor or any of its property before any court, administrative officer or administrative agency that would, if decided adversely, materially and adversely affect the financial condition or operations of such Guarantor or the ability of such Guarantor to perform its obligations under the Guaranty to which it is a party.

(u) Guarantor Financial Statements. Lessee agrees to cause Corporate Guarantor to make available to Lessor (i) as soon as available, and in any event within one hundred twenty (120) days after the last day of each fiscal year of Corporate Guarantor, a copy of the balance sheet of Corporate Guarantor as of the end of such fiscal year, and related statements of income and retained earnings of Corporate Guarantor for such fiscal year, all in reasonable detail prepared in accordance with generally accepted accounting principles consistently applied and certified by an independent certified public accounting firm of recognized standing and which is reasonably acceptable to Lessor, each on a comparative basis with corresponding statements for the prior fiscal year; and (ii) within forty five (45) days after the last day of each fiscal quarter of Corporate Guarantor (except the last fiscal quarter of any fiscal year), a copy of the balance sheet of Corporate Guarantor as of the end of each such quarter, and statement of income and retained earnings covering the fiscal year to date of Corporate Guarantor, each on a comparative basis with the corresponding period of the prior year, all in reasonable detail and certified by the treasurer or principal financial officer of Corporate Guarantor. Notwithstanding the foregoing, in the event that Corporate Guarantor has debt or equity securities regulated by the SEC, Corporate Guarantor shall make available to Lessor all reports, forms and other filings, if any, required to be made by Corporate Guarantor to the SEC including, without limitation, any SEC Forms 10-K and 10-Q and related reports or documents within thirty (30) days after the date on which they are filed and this shall be deemed to satisfy the requirements of this paragraph. All credit, financial and other information provided by Corporate Guarantor or at Corporate Guarantor's direction is, and all such information hereafter furnished will be, true, correct and complete in all material respects.

(v) Consideration for Guaranty. Each Guarantor will receive reasonably equivalent value and adequate and sufficient consideration in exchange for the giving of the Guaranty to which it is a party. Neither Guarantor is insolvent on the date hereof and neither will become insolvent after giving effect to the Guaranty to which it is a party and the contingent liabilities contained herein. Each Guarantor has sufficient capital to perform its obligations under the Guaranty to which it is a party. The performance of the obligations by each Guarantor under the Guaranty to which it is a party will not cause each Guarantor to exceed its ability to pay its debts as they mature.

Section 7. Net Lease.

This Lease is a net lease, and Lessee acknowledges and agrees that Lessee's obligation to pay all Rent hereunder and the rights of Lessor in and to such Rent, shall be absolute, irrevocable and unconditional and shall not be subject to cancellation, termination, modification or repudiation by Lessee or any abatement, reduction, setoff, defense, counterclaim or recoupment (collectively, "Abatements") for any reason or under any circumstance whatsoever, including, without limitation, Abatements due to any present or future claims of Lessee against Lessor, its successors and assigns whether under this Lease or otherwise, the Manufacturer, the Supplier or any other Person for whatever reason. Lessee hereby waives any and all existing and future claims to any Abatement against such Rent, and agrees to pay all such Rent regardless of any Abatement which may be asserted in connection with this Lease, the Aircraft or otherwise. Except as otherwise expressly provided herein, this Lease shall not terminate, nor shall the obligations of Lessee be affected, by reason of any defect in or damage to, or any loss or destruction of, the Aircraft or any part thereof from whatsoever cause, or the invalidity or unenforceability or lack of due authorization of this Lease or lack of right, power or authority of Lessor to enter into this Lease, or for any other cause, whether similar or dissimilar to the foregoing, any present or future law or regulation to the contrary notwithstanding, it being the express intention of Lessor and Lessee that all Rent payable to Lessor hereunder shall be, and continue to be, payable in all events unless and until the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease.

Section 8. Taxes.

Lessee agrees to: (i) file directly with all appropriate taxing authorities all declarations, returns, inventories and other documentation with respect to any personal property taxes (or any other taxes in the nature of or imposed in lieu of property taxes) due or to become due with respect to the Aircraft and shall pay on or before the date when due all such taxes assessed, billed or otherwise payable with respect to the Aircraft directly to the appropriate taxing authorities and (ii) (a) pay when due as requested by Lessor and (b) defend and indemnify Lessor against liability for all license and/or registration fees, assessments, and sales, use, property, excise, privilege and other taxes (including any related interest or penalties) or other charges or fees now or hereafter imposed by any governmental body or agency upon the Aircraft or with respect to landing, airport use, manufacturing, ordering, shipment, purchase, ownership, delivery, installation, leasing, operation, possession, use, return, or other disposition thereof or the rentals hereunder (other than taxes on or measured by the net income of Lessor or attributable to the period commencing on the later of (i) the return or sale to a third party of the Aircraft in accordance with the terms of this Lease or (ii) the expiration or earlier termination of this Lease in accordance with the terms hereof) (the items referred to in (i) and (ii) above being referred to herein as "Impositions"). Any Impositions which are not paid when due and which are paid by Lessor shall, at Lessor's option, become immediately due from Lessee to Lessor. Notwithstanding the foregoing, Lessee shall pay, indemnify Lessor for and hold Lessor harmless on a net after-tax basis from and against, all Impositions on or measured by the net income of Lessor imposed against Lessor by any local or foreign government or other local or foreign taxing authority if and to the extent that Lessor would not have incurred such Impositions but for the operation or presence of the Aircraft within the jurisdiction asserting an Imposition. Any payment described in the immediately preceding sentence shall not exceed an amount equal to the product of: (A) the tax rate of the government or other taxing authority imposing the tax, times (B) the Basic Rent which would have been allocated or apportioned to the taxing jurisdiction on a stand-alone basis separate from the Lessor's other income. Provided that no Event of Default has occurred and is continuing, Lessee may contest, if permitted by law to do so, and if not may request that Lessor contest, in either case at Lessee's sole expense, any assessment or billing of such Impositions in which the amount at issue exceeds \$10,000 (and, if permitted by applicable law, may withhold payment of any such Impositions during the pendency of the contest), provided that any such contest does not result in the imposition of any Lien on, or risk of forfeiture of, the Aircraft. Lessor shall notify Lessee of any such billing or assessment, shall cooperate with Lessee in any contest conducted by Lessee, and shall not compromise any contest conducted by Lessor without Lessee's consent. Notwithstanding anything contained herein to the contrary Lessee will not be liable for any penalties, fines, or interest resulting from any acts or omissions of Lessor.

Section 9. Compliance and Use.

Lessee agrees to comply with all laws, regulations and governmental orders related to this Lease and/or the Aircraft, its use or possession. The Aircraft shall be used in furtherance of Lessee's business or other objectives. The Aircraft shall be used solely in a passenger configuration for which Lessee is duly authorized by the FAA. Lessee will not operate or permit the Aircraft to be operated at any time or in any geographic area when or where insurance required by the provisions hereof shall not be in effect. Lessee will not operate or permit the Aircraft to be operated in a manner, for any time period, such that Lessor or a third party (except, where expressly permitted hereunder, an air carrier or air taxi operator certificated under Part 121 or Part 135 of the Federal Aviation Regulations) shall be deemed to have "operational control" of the Aircraft. Without the prior written consent of Lessor or except as otherwise expressly permitted hereunder, Lessee shall not operate or permit the Aircraft to be operated under Part 135 of the Federal Aviation Regulations. Throughout the Term, the possession, use and maintenance of the Aircraft shall be at the sole risk and expense of Lessee and the Aircraft shall be based at the Primary Hangar Location set forth in Schedule No. 2 to Lease Supplement No. 1. At all times the Aircraft will be operated only by duly qualified, currently certificated pilots as required by the insurance policies required under this Lease. **IN ADDITION, EXCEPT AS EXPRESSLY PERMITTED BY THE FOLLOWING PARAGRAPH, THE AIRCRAFT SHALL NOT BE OPERATED, USED OR LOCATED OUTSIDE THE CONTINENTAL UNITED STATES.**

9-117

Notwithstanding the foregoing, Lessor agrees that the Aircraft may be flown temporarily to any country in the world in connection with the conduct of Lessee's business; provided, however, that in no event may the Aircraft temporarily fly, be operated, used or located in, to or over any such country or area (1) which is excluded from coverage by any insurance policy in effect with respect to such Aircraft or by any insurance policy required by the terms hereof or any country or area not specifically and fully covered by such insurance; (2) in a recognized or threatened area of hostility unless fully covered to Lessor's satisfaction by hull, political, expropriation, hijacking and war risk insurance or (3) with which the United States of America does not maintain favorable diplomatic relations. Lessee further agrees that it shall not operate the Aircraft, or permit the Aircraft to be operated in any manner unless the insurance coverages set forth herein are in full force and effect.

Section 10. Loss or Damage.

(a) Event of Loss with Respect to the Aircraft. Upon the occurrence of any Event of Loss with respect to the Airframe and/or Aircraft, Lessee shall notify Lessor of any such Event of Loss within ten (10) days of the date thereof. On the next Basic Rent Date which is at least sixty (60) days following the date of such notice, but in no event more than ninety (90) days after such notice (or, if such Event of Loss occurs after the Last Basic Rent Date, within sixty (60) days after such notice), Lessee shall pay to Lessor any Rent then due, plus the Casualty Value of the Aircraft determined as of the Basic Rent Date immediately following the date of such notice, together with interest at the Late Payment Rate for the period (if any) from the Basic Rent Date following the date of such notice through the date of payment. Upon making such payment and all Rent due and owing, Lessee's obligation to pay further Basic Rent for the Aircraft subsequent to such payment shall cease, but Lessee's obligation to pay Supplemental Rent as well as any other amounts due under this Lease, if any, for the Aircraft shall remain unchanged. Except in the case of loss, permanent disappearance, destruction or Return to Manufacturer, and unless possession thereof is required to be delivered to a third party insurance carrier in order to settle an insurance claim, Lessor shall be entitled to recover possession of the Aircraft and Lessor shall be entitled to any salvage value in excess of the Casualty Value paid to Lessor. In the event of a Return to Manufacturer, Lessor agrees that Lessee shall receive and retain all amounts payable to Lessor by the Manufacturer up to the amount, if any, of the Casualty Value actually paid by Lessee hereunder, but any excess shall be retained by Lessor. With respect to a Requisition of Use, Lessor agrees that Lessee shall receive and retain all amounts paid by any governmental authority up to the Casualty Value actually paid by Lessee hereunder, and any excess shall be paid over to, and retained by, Lessor. Lessor shall be under no duty to Lessee to pursue any claim against any Person in connection with an Event of Loss, but Lessee may at its own cost and expense and with Lessor's prior written consent pursue the same on behalf of Lessor in such manner as may be reasonably acceptable to Lessor, which consent (including as to the manner in which such claim is pursued), Lessor agrees shall not be unreasonably withheld..

(b) Event of Loss with Respect to an Engine. Upon an Event of Loss with respect to any Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe upon which such Engine was installed, Lessee shall give Lessor prompt written notice thereof and shall within thirty (30) days after the occurrence of such Event of Loss, duly convey to Lessor title to a similar or better engine of the same make and model number as the Engine suffering the Event of Loss. Such engine shall be free and clear of all Liens, have a value, utility, and useful life at least equal to, and be in as good an operating condition as, the Engine suffering the Event of Loss, assuming such Engine was of the value and utility and in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss. Lessee, at its own cost and expense, shall furnish Lessor with such documents to evidence such conveyance as Lessor shall request. Upon full compliance by Lessee with the terms of this paragraph, Lessor will transfer to Lessee, without recourse, representation or warranty of any kind whatsoever other than as to the absence of Lessor's Liens, all of Lessor's right, title and interest, if any, in and to the Engine suffering the Event of Loss. **SUCH TRANSFER SHALL BE "AS-IS, WHERE-IS" AND LESSOR SHALL NOT BE DEEMED TO HAVE MADE, AND LESSOR HEREBY DISCLAIMS, ANY REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE ENGINE SO TRANSFERRED TO LESSEE** other than as to the absence of Lessor's Liens. Each such replacement engine shall, after such conveyance

9-115

be deemed an "Engine" as defined herein and shall be deemed part of the same Aircraft as was the Engine replaced thereby. No Event of Loss with respect to an Engine shall result in any reduction or delay in the payment of Basic Rent or relieve Lessee of any obligation under this Lease.

(c) **Risk of Loss.** Except as otherwise specifically provided in this Section, until Lessee tenders delivery of the Aircraft to Lessor in accordance with the provisions of the M&R Addendum, Lessee shall bear the risk of loss, damage or partial destruction of the Aircraft and shall not be released from its obligations hereunder in the event of any damage to the Aircraft or any part thereof or any Event of Loss relating thereto.

Section 11. Indemnification.

Lessee assumes liability for, and hereby agrees to indemnify, protect, save, defend and keep harmless Lessor, its agents, employees, officers, directors, shareholders, subsidiaries, affiliates, successors and assigns (collectively "**Lessor**"), on a net after-tax basis, from and against any and all liabilities, obligations, losses, damages, penalties, claims (including, without limitation, claims involving or alleging product liability or strict or absolute liability in tort), actions, suits, demands, costs, expenses and disbursements (including, without limitation, legal fees and expenses) of any kind and nature whatsoever ("**Claims**") which may be imposed on, incurred by or asserted against Lessor, whether or not Lessor shall also be indemnified as to any such Claim by any other Person, in any way relating to or arising out of this Lease or any documents contemplated hereby, or the performance or enforcement of any of the terms hereof or thereof, or in any way relating to or arising out of the assertion or enforcement of any manufacturer's, vendor's or dealer's warranties on the Aircraft or any part thereof, (including, without limitation, any warranty of any Manufacturer or Supplier), the manufacture, inspection, construction, purchase, pooling, interchange, acceptance, rejection, ownership, titling or re-titling, delivery, lease, sublease, possession, use, operation, maintenance, management, condition, registration or re-registration, sale, return, removal, repossession, storage or other disposition of the Aircraft or any part thereof or any accident in connection therewith (including, without limitation, latent and other defects, whether or not discoverable, and any Claim for patent, trademark or copyright infringement). Lessee's obligations to make indemnification payments to Lessor pursuant to this Section 11 shall be reduced by any insurance proceeds and any indemnity, contribution or similar payment if and to the extent actually received by Lessor in good and indefeasible funds; provided, however, (i) Lessor shall have no responsibility to pursue the recovery of any such amounts as a condition to pursuing or recovering any indemnity hereunder or otherwise, (ii) Lessee's obligations under this Section 11 shall not be conditioned upon or delayed by Lessee's or Lessor's recovery or pursuit of such amounts from any third party, and (iii) Lessor's rights hereunder shall not be limited, impaired or otherwise adversely affected by any action or omission relating thereto. To the extent that a Claim indemnified by the Lessee under this Section 11 is in fact paid in full by the Lessee and/or an insurer under a policy of insurance maintained by the Lessee, the Lessee and/or such insurer as the case may be shall, so long as no Default or Event of Default has occurred and is continuing, be subrogated to the extent of such payment to the rights and remedies of the Lessor party on whose behalf such Claim was paid with respect to the transaction or event giving rise to such Claim (other than the rights and remedies in respect of insurance policies maintained by such Lessor party).

Notwithstanding the foregoing, Lessee shall not be required to indemnify Lessor for (a) any Claim caused solely and directly by the gross negligence or willful misconduct of the Lessor or (b) any Claim in respect of the Aircraft arising from acts or events which occur after (x) possession of the Aircraft has been redelivered to Lessor (which return and delivery shall be in material compliance with the terms of this Lease) and (y) any and all other obligations of any kind whatsoever of the Lessee under this Lease which have been fully paid and/or performed, as the case may be, unless any such Claims were caused by Lessee (or any stockholder, director, officer, employee, successor, assignee, agent or servant of the Lessee) or resulted or arose, directly or indirectly, from any acts, events or omissions of any kind whatsoever during the Term of this Lease.

The liability of Lessee to make indemnification payments shall, notwithstanding any expiration, cancellation or other termination (whether voluntary, as the result of a Default or Event of Default, or

0 0 0 0 0 0 0 0 9 0 9

9-113

otherwise) of this Lease, continue to exist until such indemnity payments are irrevocably made in full by Lessee and received by Lessor. If any Claim is made against Lessee or Lessor, the party receiving notice of such Claim shall promptly notify the other, but the failure of the party receiving notice to so notify the other shall not relieve Lessee of any obligation hereunder.

Notwithstanding the foregoing, Lessee's indemnification obligations with respect to Impositions are set forth in Section 8 hereto.

Section 12. Assignment and Sublease.

EXCEPT TO THE EXTENT EXPRESSLY PROVIDED FOR HEREIN OR IN ANY WRITTEN CONSENT ENTERED INTO IN CONNECTION HERewith, LESSEE SHALL NOT SELL, TRANSFER, ASSIGN, CHARTER, SUBLEASE (WITH OR WITHOUT ONE OR MORE CREWMEMBERS), CONVEY, PLEDGE, MORTGAGE OR OTHERWISE ENCUMBER ITS OR LESSOR'S INTEREST IN AND TO THE LEASE OR THE AIRCRAFT, AND ANY SUCH SALE, TRANSFER, ASSIGNMENT, CHARTER, SUBLEASE, CONVEYANCE, PLEDGE, MORTGAGE OR ENCUMBRANCE, WHETHER BY OPERATION OF LAW OR OTHERWISE, WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR (WHICH CONSENT SHALL NOT BE UNREASONABLY WITHHELD) SHALL BE NULL AND VOID. IN ADDITION, LESSEE SHALL NOT ENTER INTO ANY INTERCHANGE AGREEMENT AFFECTING THE AIRCRAFT OR RELINQUISH POSSESSION OF THE AIRFRAME OR ANY ENGINE OR INSTALL ANY ENGINE OR PART, OR PERMIT ANY ENGINE OR PART TO BE INSTALLED, ON ANY AIRFRAME OTHER THAN THE AIRFRAME LEASED HEREUNDER EXCEPT AS EXPRESSLY SET FORTH HEREIN. Notwithstanding the foregoing limitations Lessee shall be permitted to conduct the carriage of the Lessee and/or guests pursuant to 14 CFR Section 91.501 (b) (4), affiliated group operations pursuant to 14 CFR Section 91.501 (b) (5) and/or (6), demonstration flights pursuant to 14 CFR Section 91.501 (b) (3), time sharing or interchange operations pursuant to 14 CFR Section 91.501(b) (6), the carriage of customers pursuant to 14 CFR Section 91.501 (b) (9) and/or the carriage of candidates in Federal elections conducted pursuant to 14 CFR Section 91.321. In addition, the foregoing shall be not be deemed to prohibit the delivery of possession of the Aircraft, any Engine or Part to another Person for testing, service, repair, maintenance, overhaul or, to the extent permitted hereby, alteration or modification. No acceptance, assignment, subletting, relinquishment or installation shall in any event relieve Lessee of primary, absolute and unconditional liability for its duties and obligations under this Lease.

Notwithstanding the foregoing, Lessor acknowledges that Lessee may do as follows:

(a) Lessee may enter into a management agreement with regard to the Aircraft between Lessee and Manager (hereinafter the "Management Agreement" and Manager or its designee (pursuant to an agreement acceptable to Lessor in its reasonable discretion; which agreement, for the purposes hereof shall also be referred to as the "Management Agreement") and may charter the Aircraft (any such charterer, an "Operator") to any customer of Operator from time to time (hereinafter a "Charter") pursuant to the following terms and conditions:

(i) Any Management Agreement shall provide that it shall terminate at the option of Lessor, upon the expiration or earlier termination of this Lease, including, without limitation, any termination or expiration occasioned by the exercise by Lessee of its options set forth in the Purchase, Early Purchase and Renewal Option Addendum, and the term of any such Management Agreement shall not exceed the then remaining Term of this Lease (including, any Renewal Term as to which the option to renew has been irrevocably exercised).

(ii) Operator shall maintain a current and valid Air Carrier Certificate issued by the FAA and Operator shall at all times be in full compliance with Federal Aviation Act Regulation Part 135 or any other applicable statutes, laws, rules, regulations and parts with respect to any such Management Agreement and/or use and operation of the Aircraft under any such Management Agreement.

9-111

(iii) With respect to any Management Agreement, to the extent that it has not already done so, Lessee agrees to assign, and does hereby assign, as collateral security, and grant, and does hereby grant, to Lessor a security interest in (i) all proceeds of insurance payable to Lessee pursuant to the Management Agreement and Charter, and (ii) all rights and remedies of Lessee under the Management Agreement and proceeds from the exercise thereof all to secure payment and performance of all of Lessee's liabilities, obligations and indebtedness under this Lease. Lessor's security interest which is created hereby, if Lessor so elects, may be perfected by possession of the Management Agreement rather than filing, as provided in the UCC. Until the occurrence of an Event of Default hereunder, Lessee shall have the right to collect and receive, in accordance with the terms hereof, all sums payable under such Management Agreement and to retain, use and enjoy the same. The filing of this Lease with the FAA shall constitute notice to all third parties, including, without limitation, the Operator, of the security interest of Lessor in any such Management Agreement without the need for the filing of a specific assignment thereof.

(iv) Lessee shall deliver to the Lessor a fully executed copy of each and every Management Agreement, which is, and will be, the only copy of such Management Agreement marked "Secured Party's Original." All copies of the Management Agreement shall bear the following legend: "To the extent, if any, this instrument constitutes chattel paper under the UCC, no security interest herein may be created through the transfer and/or possession of any counterpart other than the counterpart marked 'Secured Party's Original.'" All copies of each Management Agreement, other than the "Secured Party's Original" shall bear the following legend: "Copy." No interest herein may be created or the aircraft subject hereto through the transfer and/or possession hereof."

(v) Any Management Agreement shall be expressly subject and subordinate to this Lease and the rights of Lessor hereunder and in and to the Aircraft. No amendment, termination, waiver or modification of any of the terms and/or conditions of such Management Agreement shall be effective unless consented to in writing in advance by Lessor, which consent shall not be unreasonably withheld, provided, however, that Lessor's consent shall not be necessary with respect to any amendment or modification of such Management Agreement which increases the amount of the monthly rentals under such Management or with respect to any renewal of such Management Agreement provided that the term of such Management Agreement, upon effecting such renewal is co-terminus with the then current Term of this Lease.

(vi) Lessee shall deliver to Lessor a consent and acknowledgment executed by Lessee and the Manager and any other Operator in the form and substance satisfactory to Lessor along with such other instruments (including, without limitation, FAA recording documents and UCC financing statements) as Lessor may reasonably require. Lessee shall agree to take such other actions as are deemed necessary by Lessor to effect the terms and conditions of this Section.

(vii) Such other terms and conditions as Lessor deems reasonably necessary and appropriate.

Lessor acknowledges that certain of the duties and obligations of Lessee hereunder shall be performed by Operator. Such acknowledgment on the part of Lessor does not, however, constitute an acceptance by Lessor of such performance by Lessor of such duties and obligations unless the performance of such duties and obligations fully and completely satisfies the requirements of this Lease. Lessee hereby acknowledges to Lessor that it is now and continues to be primarily and fully obligated by the terms and conditions of the Lease notwithstanding any delegation of duties or any other term of any kind whatsoever to Operator or the assumption thereof by Operator. Any such delegation shall be effective only as between Lessee and Operator. Lessee acknowledges and agrees that the responsibility for performance of the duties and obligations of Lessee hereunder remain with Lessee regardless of the fact that Lessee may have contracted with or delegated to Operator with respect to the performance thereof.

9-109

(b) Lessee may either sublease the Aircraft from time to time, or assign all of its rights and obligations under and with respect to this Lease, in either such case, to a solvent, domestic Affiliate pursuant to the following terms and conditions (hereinafter a "Sublease"):

(i) Any Sublease shall provide that it shall terminate at the option of Lessor, upon the expiration or earlier termination of this Lease, including, without limitation, any termination or expiration occasioned by the exercise by Lessee of its options set forth in any Addendum hereto, and the term of such Sublease shall not exceed the then remaining Term of this Lease (including, any Renewal Term as to which the option to renew has been irrevocably exercised).

(ii) Any Sublease shall not be a grant of a "security interest" as such term is used in Section 1-201 (37) of the UCC.

(iii) With respect to any Sublease, to the extent that it has not already done so, Lessee agrees to assign, and does hereby assign, as collateral security, and grant, and does hereby grant, to Lessor a security interest in (i) the Sublease, (ii) all amounts payable thereunder, (iii) all proceeds of insurance payable to Lessee pursuant to the Sublease, and (iv) all rights and remedies of Lessee under the Sublease and proceeds from the exercise thereof all to secure payment and performance of all of Lessee's liabilities, obligations and indebtedness under this Lease. Lessor's security interest which is created hereby, if Lessor so elects, may be perfected by possession of the chattel paper original of the Sublease rather than filing, as provided in the UCC. Until the occurrence of a Default or an Event of Default hereunder, Lessee shall have the right to collect and receive, in accordance with the terms hereof, rent and other sums payable under such Sublease and to retain, use and enjoy the same. The filing of this Lease with the FAA shall constitute notice to all third parties, including, without limitation, Affiliate, of the security interest of Lessor in any such Subleases without the need for the filing of a specific assignment thereof.

(iv) Lessee shall deliver to the Lessor a fully executed copy of each and every Sublease, which are, and will be, the only copies of such Sublease marked "Secured Party's Original." All copies of the Sublease shall bear the following legend: "To the extent, if any, this instrument constitutes chattel paper under the UCC, no security interest herein may be perfected through the possession of any counterpart other than the counterpart marked 'Secured Party's Original.'" All copies of each Sublease, other than the "Secured Party's Original" shall bear the following legend: "Copy." No interest herein may be created in the aircraft subject hereto through the transfer and/or possession hereof."

(v) Any Sublease shall be expressly subject and subordinate to this Lease and the rights of Lessor hereunder and in and to the Aircraft. No amendment, waiver or modification of any of the terms and/or conditions of such Sublease shall be effective if and to the extent such amendment, waiver, or modification would cause such Sublease to be inconsistent with the provisions of this Section 12, or otherwise cause Lessee to be in breach of its obligations under this Lease.

(vi) With respect to any Sublease, Lessee shall deliver to Lessor a consent and acknowledgment executed by Lessee and any such permitted sublessee in form and substance satisfactory to Lessor. With respect to any assignment, Lessee and any such permitted assignee shall deliver to Lessor an assignment and assumption agreement in form and substance satisfactory to Lessor (providing for, among other things, such assignee's assumption of, and unconditional and absolute agreement to pay and perform, all of Lessee's obligations under the Lease and any and all other documents, instruments and agreements entered into in connection therewith). With respect to either a Sublease or an assignment, Lessee, each of the Guarantors and/or such permitted sublessee or permitted assignee, as the case may be, shall also execute and deliver all such other assurances, confirmations, instruments (including, without limitation, FAA recording documents and UCC financing statements), officer's certificates, legal opinions and other documents and agreements, as Lessor may reasonably require. Without limiting the generality of the foregoing, as a condition precedent to the effectiveness of any such Sublease or assignment, each Guarantor shall provide a confirmation of the continuing nature of

0 0 0 0 0 0 0 0 9 1 2

9-107

its Guaranty after giving effect to any such Sublease or assignment, and each Guarantor and any assignee shall provide to Lessor, if and to the extent requested, documents, agreements, filings and assurances similar to the Closing Documents. Lessee further agrees to take all such other actions as are deemed necessary by Lessor to effect the terms and conditions of this Section.

(vii) Lessee shall provide Lessor with written confirmation that a copy of the Sublease has been properly placed on the Aircraft.

(viii) Such other terms and conditions as Lessor deems reasonably necessary and appropriate.

No such chartering and/or subleasing by Lessee will reduce any of the obligations of Lessee hereunder or the rights of Lessor hereunder, and all of the obligations of Lessee hereunder shall be and remain primary and shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety. No such assignment by Lessee will reduce any of the obligations of Lessee hereunder or the rights of Lessor hereunder, and all of the obligations of Lessee hereunder shall be and remain primary and shall continue in full force and effect as the obligations of a principal and not of a guarantor or surety, in each such case, except to the extent effectively assigned and assumed in accordance with this Section.

Lessor, may at any time, with or without notice to Lessee, mortgage, grant a security interest in or otherwise transfer, sell or assign all or any part of its interest in this Lease or the Aircraft or any Rent or other sums due or to become due hereunder and Lessee shall perform all of its obligations under this Lease for the benefit of such assignee, lender, creditor, mortgagee, transferee or Person (hereinafter an "Assignee") except that the interest of any such Assignee shall be subject to Lessee's rights of use and possession, renewal rights, and purchase options, if any, hereunder, so long as no Default or Event of Default has occurred and is continuing hereunder. Lessee agrees that the rights hereunder of any such Assignee shall not be subject to any defense, setoff, recoupment, abatement, reduction, claim or counterclaim (collectively the "Defenses") that Lessee has or may at any time have against Lessor for any reason whatsoever unless Assignee expressly assumes Lessor's obligations hereunder with respect thereto. Unless Lessor's obligations with respect to such Defenses are expressly assumed by Assignee, Lessee hereby waives any right to assert at any time any of the foregoing Defenses against any such Assignee. Lessee further agrees that any such Assignee shall have all of Lessor's rights hereunder, but none of the Lessor's obligations or duties. Lessor shall remain liable with respect to any Defenses which are not assumed by Assignee. Lessee acknowledges that any such assignment, transfer or sale will not materially change its duties or materially increase its burdens or risks hereunder and that any such assignment, transfer or sale shall be permitted even if the assignment, transfer or sale would be deemed to materially affect the Lessee's interests hereunder. Lessee further agrees, if so directed in writing, to, among other things, pay all sums due or to become due hereunder directly to the Assignee or any other party designated in writing by Lessor or any such Assignee. Upon the request of Lessor or any Assignee, Lessee also agrees (i) to promptly execute and deliver to Lessor or to such Assignee an acknowledgment of assignment in form and substance satisfactory to the requesting party and Lessee which, among other things, reaffirms the basic terms and conditions of this Lease and (ii) to comply with the reasonable demands of any such Assignee in order to perfect any such assignment or transfer.

This Lease, including all agreements, covenants, representations and warranties, shall be binding upon and inure to the benefit of, and may be enforced by (a) Lessor and its successors, assigns, Assignees, agents and servants and (b) Lessee and its successors and, to the extent expressly permitted by Lessor, assigns.

Section 13. Events of Default.

The term "Event of Default", wherever used herein, shall mean any of the following events or circumstances (whatever the reason for such Event of Default and whether it shall be voluntary or

0 0 0 0 0 0 0 0 9 1 3

9-105

involuntary, or come about or be effected by operation of law, or be pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation or any administrative or governmental body):

(a) Lessee shall fail to make any payment of Rent, Casualty Value, if applicable, and/or any amount due pursuant to any Rider, Exhibit or Addendum hereto within ten (10) days after any or all of the same shall become due and payable, or, upon demand, any other amount required to be paid herein or under any other agreement with Lessor; or

(b) Lessee shall fail to keep in full force and effect any of the insurance required hereunder, or shall operate the Aircraft at a time when, or at a place in which, such insurance shall not be in effect; or

(c) Lessee shall fail to perform or observe any covenant, condition or agreement, (other than those specifically referred to in this Section) required to be performed or observed by it under this Lease or any Rider, Exhibit or Addendum hereto or any other agreement, document or certificate delivered by or on behalf of Lessee in connection herewith, and such failure shall continue for thirty (30) days after written notice thereof from Lessor to Lessee; provided, however, if by its nature such breach cannot be cured within thirty (30) days but can be cured by practical means within an additional sixty (60) days, then so long as no other Event of Default then exists, and Lessee is at all times diligently undertaking to cure such breach, Lessee shall have an additional sixty (60) days to complete such cure before an Event of Default shall be deemed to have occurred as a result of such breach; or

(d) Lessee or any of its Affiliates shall default in the payment or performance of any obligation to Lessor under any other aircraft lease (the "Other Aircraft Lease") entered into between Lessee or such Affiliate (by assignment or otherwise) and Lessor, or under any other agreement, instrument or document entered into in connection with such Other Aircraft Lease (collectively with the Other Aircraft Lease, the "Other Lease Documents"), in either such case, after the giving of any notice and the expiration of any grace or cure period provided for in such Other Lease Documents; or

(e) any representation or warranty made by Lessee herein or in any certificate, agreement, statement or document hereto or hereafter furnished to Lessor in connection herewith, including without limitation, any financial information disclosed to Lessor, shall prove to be or to have been false or incorrect in any material respect; or

(f) the commencement of any bankruptcy, insolvency, arrangement, reorganization, receivership, liquidation or other similar proceeding by or against Lessee or any of its properties or businesses, (which, in the case of a proceeding commenced against Lessee, has not been dismissed within sixty (60) days of the filing thereof) the appointment of a trustee, receiver, liquidator or custodian for Lessee or any of its properties or businesses, if Lessee suffers the entry of an order for relief under Title 11 of the United States Code or the making by Lessee of a general assignment or deed of trust for the benefit of creditors; or

(g) Lessee shall default in any payment or performance in respect of any obligation for borrowed money or other financial accommodation having an aggregate principal balance or other liability which, upon acceleration in accordance thereof, shall be in excess of \$50,000,000.00 owing to any parties, including Lessor or any Lessor Affiliate, and any applicable grace or cure period with respect thereto has expired; or

(h) except as expressly permitted under this Lease, Lessee sells, transfers or disposes of all or substantially all of its respective membership interests, assets or property, merges with or into any other entity and is not the surviving entity or engages in any form of reorganization in which it is not the surviving entity, becomes the subject of a leveraged buy-out or the Lessee shall terminate its existence by merger, consolidation or sale of substantially all of its assets or otherwise; or

(i) if effective control of Lessee's or LLC Guarantor's membership interests issued and outstanding from time to time is not retained by the holders of such membership interests on the date of this Lease; provided however, that it will not constitute an Event of Default if such party remains an affiliate of Corporate Guarantor; or

(j) there shall be a change in the ownership of Corporate Guarantor's stock such that Corporate Guarantor is no longer subject to the reporting requirements of the Securities Exchange Act of 1934, as amended, or no longer has a class of equity securities registered under Section 12 of the Securities Act of 1933, as amended; or

(k) the failure to return the Aircraft to Lessor at the end of the Term in accordance and in compliance with the terms and conditions hereof, the Aircraft shall be abused, substantially damaged (without being repaired in accordance with the provisions hereof) or destroyed (without payment of the applicable Casualty Value in accordance with the terms and conditions hereof); or

(l) except as otherwise permitted in this Lease, Lessee shall or shall attempt to remove, sell, transfer, charter, interchange, convey, pledge, mortgage, encumber, part with possession of, assign or sublet (with or without one or more crewmembers) the Aircraft or any part thereof, use the Aircraft for an illegal purpose or permit the same to occur or Lessee shall create, incur, assume or suffer to exist any Lien (other than Permitted Liens) with respect to the Aircraft, this Lease or Lessor's interests thereunder; or

(m) any event or condition set forth in subsections (d) through (h) of this Section shall occur with respect to any Guarantor or other person responsible, in whole or in part, for payment or performance of this Lease, or there shall be an express repudiation of any Guaranty or a default under any Guaranty, and any applicable grace or cure period with respect thereto has expired.

Lessee shall promptly notify Lessor of the occurrence of any Default or Event of Default.

Section 14. Remedies.

(a) Upon the occurrence of any Event of Default and so long as the same shall be continuing, Lessor may, at its option, declare this Lease to be in default (provided that no such declaration shall be a condition to any suit against Lessee for specific performance of a defaulted covenant or for damages in respect of such default upon such occurrence or at any time thereafter), and at any time thereafter, whether or not such Event of Default shall be continuing, Lessor may exercise any one or more of the following remedies, as Lessor in its sole discretion shall lawfully elect:

(i) Proceed by appropriate court action, either at law or in equity, to enforce performance by Lessee of the applicable covenants of this Lease or to recover damages for breach thereof.

(ii) By notice cancel or terminate this Lease, whereupon all rights of Lessee to the use of the Aircraft or any part thereof shall absolutely cease and terminate but Lessee shall remain liable as hereinafter provided and thereupon (A) if so requested by Lessor, Lessee shall at its expense promptly return the Aircraft to the possession of Lessor at such place as Lessor shall designate and in the condition required upon the return thereof pursuant to and in accordance with the terms of this Lease, (B) Lessor, at its option, may enter upon the premises where the Aircraft is located and take immediate possession of and remove the same, together with any Engines and Parts by self-help, summary proceedings or otherwise without any liability of any kind whatsoever on the part of Lessor for or by reason of such entry or taking of possession and Lessee hereby waives any cause of action it may have arising from, or in connection with, the foregoing and/or (C) Lessee will provide storage as set forth in this Lease. In addition, upon the written request of Lessor, Lessee, at its expense, will replace any engine installed on the Airframe with an Engine. Lessee shall, without further demand, forthwith pay to Lessor an amount equal to any unpaid Rent due and payable for all periods up to and including the Basic Rent Date following the date on which Lessor has declared this Lease to be in default, plus, as liquidated damages for loss of a bargain and not as a penalty, an amount

9-101

equal to the Casualty Value of the Aircraft, computed as of the Basic Rent Date immediately following the date on which Lessor has declared this Lease to be in default (plus all costs, charges and expenses including, legal fees and disbursements incurred by Lessor by reason of the occurrence of any Event of Default or the exercise of any of Lessor's remedies with respect thereto or otherwise).

Following the return of the Aircraft to Lessor pursuant to this subparagraph (ii), Lessor shall proceed at its option to sell or otherwise dispose of the Aircraft by public or private sale, with or without notice, and without having the Aircraft present at the place of sale and in such manner as it shall deem appropriate, provided that Lessor, if it so elects, may purchase the Aircraft at such sale for a price not less than the highest bona fide bid given by a Person unrelated to Lessee. Lessee waives all its rights under laws governing such sale to the extent permitted by law. Lessor may apply any deposit or other cash collateral or sale or remarketing proceeds of the Aircraft at any time to reduce any amounts due to Lessor. Notwithstanding the foregoing, Lessor may at its option and in its sole discretion keep idle, lease, or use or operate all or part of the Aircraft without any liability whatsoever and may use Lessee's premises for storage pending lease or sale or for holding a sale without liability for rent or costs or any other matter whatsoever. The net proceeds of such sale or lease as provided above shall be applied by Lessor (x) first, to pay all costs, charges and expenses, including the cost of discharging all Liens, on the Aircraft and all legal fees and disbursements incurred by Lessor as a result of the Event of Default and/or the exercise of its remedies with respect thereto, (y) second, to pay to Lessor an amount equal to any unpaid Rent due and payable and the Casualty Value, to the extent not previously paid and (z) third, to reimburse Lessee for the Casualty Value to the extent paid by Lessee as liquidated damages. Any surplus remaining thereafter shall be retained by Lessor. To the extent that all Rent then due and payable with respect to the Aircraft and the Casualty Value have not been previously paid, Lessee shall forthwith pay upon demand to Lessor the sum of (AA) the amount by which (1) the sum of (aa) all Rent then due and payable with respect to the Aircraft, (bb) the Casualty Value or portion thereof not theretofore paid and (cc) the amount payable under clause (x) of the preceding sentence exceeds (2) the net proceeds of the sale or lease of the Aircraft actually received by the Lessor and (BB) interest at the Late Payment Rate on the full amount of said Casualty Value and Rent then due and unpaid, computed from the date such sums are due until the same are paid by Lessee. For purposes of computing liquidated damages under this subparagraph (ii) only, the proceeds of any releasing of the Aircraft shall be determined by discounting to present value, at the rate of seven percent (7.0%) per annum, the periodic rentals which are payable to Lessor pursuant to such re-lease, up to and including the expiration of the term of any such re-lease.

In addition to the other remedies provided for herein, upon the occurrence and during the continuance of an Event of Default, Lessor may (i) terminate or cancel the Sublease, without regard as to the existence of any event of default thereunder and recover or cause Lessee to relinquish possession and return the Aircraft, including the Engines and Parts, pursuant to this Section 14, and (ii) exercise any and all other remedies, in Lessee's stead, to the extent provided for under, or otherwise available to Lessee in connection with the Sublease.

If any Default or Event of Default occurs or if Lessee fails to perform or comply with any of its agreements contained herein, Lessor shall have the right, but shall not be obligated, to effect such performance or compliance and the amount of any out-of-pocket expenses and other reasonable expenses of Lessor incurred in connection with the performance of or compliance with such agreements, as the case may be, together with interest thereon at the Late Payment Rate, shall be payable by Lessee promptly upon demand, and any such action by Lessor shall not be deemed a cure or waiver of any Default or Event of Default hereunder.

(b) Lessee shall be liable for all costs, charges and expenses, including legal fees and disbursements, incurred by Lessor by reason of the occurrence of any Event of Default, the exercise of any of Lessor's rights or remedies with respect thereto or otherwise.

(c) Lessee hereby waives, to the maximum extent now or hereafter permitted by applicable law, for itself and for its successors or assigns any and all rights Lessee or Lessee's successors or assigns may

have following an Event of Default under any bankruptcy, insolvency or similar laws, rules or regulations with respect to the continued possession or use of the Aircraft or relief from the payment of Rent therefor or otherwise with respect to this Lease. Rejection of this Lease by any bankruptcy trustee or debtor-in-possession shall entitle Lessor to the immediate return of the Aircraft and to liquidated damages calculated in the manner provided for in subsection 14(a)(ii) hereof with respect to an Event of Default.

(d) No right or remedy referred to herein is intended to be exclusive, but each shall be cumulative and in addition to any other right or remedy referred to above or otherwise available to Lessor at law or in equity, including, without limitation, such rights and/or remedies as are provided for in the UCC. No express or implied waiver by Lessor of any Default or Event of Default hereunder shall in any way be, or be construed to be, a waiver of any future or subsequent Default or Event of Default. The failure or delay of Lessor in exercising any rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or reoccurrence of any such contingencies or similar contingencies, and any single or partial exercise of any particular right by Lessor shall not exhaust the same or constitute a waiver of any other right provided for or otherwise referred to herein. All remedies set forth herein shall survive the expiration or other termination of this Lease for any reason whatsoever.

(e) To the extent permitted by applicable law, Lessee hereby waives any rights now or hereafter conferred by statute or otherwise which may require Lessor to sell, lease or otherwise use the Aircraft in mitigation of Lessor's damages as set forth in this Section or which may otherwise limit or modify any of Lessor's rights or remedies under this Section. To the extent permitted by applicable law, Lessee waives any and all rights and remedies conferred upon a lessee by Section 2A-508 to 2A-522 (inclusive) of the UCC, including, without limitation, any rights of Lessee (a) to cancel or repudiate this Lease or any supplement or any document relating thereto, (b) to reject or revoke acceptance of the Aircraft or any component thereof and (c) to recover from Lessor any general or consequential damages, for any reason whatsoever.

Section 15. Notices.

All communications and notices provided for herein shall be in writing and shall become effective (i) upon hand delivery, (ii) upon delivery by an overnight delivery service, (iii) upon two (2) Business Days after being deposited in the United States mail with proper postage for first-class mail prepaid, sent by registered or certified mail, return receipt requested, and addressed to Lessor or Lessee at their respective addresses set forth under the signatures hereto or such other address as either party may hereafter designate by written notice to the other or (iv) or when sent by telecopy (with customary confirmation of receipt of such telecopy) on the Business Day when sent or upon the next Business Day if sent on other than a Business Day.

Section 16. Transaction Expenses.

Lessee shall pay all actual and reasonable fees, costs and expenses incurred by Lessor in connection with this Lease, whether or not the transactions contemplated hereby are consummated, including, without limitation, appraisal fees, inspection fees, Lessor's internal and external counsel fees and expenses and FAA Counsel fees and expenses, and FAA and UCC title and lien searches, reports, filing and recording fees, charges and taxes. Lessee also agrees to pay all fees and expenses of Lessor's counsel, FAA Counsel and all other third parties who are engaged by Lessor to enforce Lessor's rights and/or remedies hereunder, to update any FAA or UCC title and/or lien reports and/or to review, file and record any and all documents and instruments as required by Lessor or the FAA during and after the Term of this Lease.

Section 17. Miscellaneous.

Any provision of this Lease which may be determined to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by applicable law, Lessee hereby waives any provision hereof prohibited or unenforceable in any respect.

This Lease may be executed in any number of counterparts and by the different parties hereto on separate counterparts. The division of this Lease into sections, the provision of a table of contents and the insertion of headings are for convenience of reference only and shall not affect the construction or interpretation of this Lease. The actual dates of execution hereof by the parties hereto are respectively the dates set forth under the signatures hereto, however this Lease shall be effective as of the date first above written.

Lessee hereby grants and conveys to Lessor, a security interest and lien in this Lease, any subleases relating to the Aircraft and any and all proceeds (including insurance proceeds) of any or all of the foregoing, to secure the prompt and full payment and performance as and when due of any and all obligations and indebtedness of Lessee to Lessor, now existing or hereafter created of any kind whatsoever. Notwithstanding anything to contrary contained herein or otherwise, should a court of competent jurisdiction determine that this agreement is a grant of a security interest, then solely in that event and for the expressly limited purposes thereof, Lessee shall be deemed to have hereby granted and conveyed, and for such express purposes Lessee hereby grants and conveys to Lessor, a security interest and lien in the Aircraft to secure the prompt and full payment and performance as and when due of any and all obligations and indebtedness of Lessee to Lessor, now existing or hereafter created of any kind whatsoever. The security interests granted herein shall survive the termination, cancellation or expiration of this Lease for any reason whatsoever and shall remain in full force and effect until such time as Lessee has no further obligations of any kind whatsoever under this Lease.

Lessee will promptly and duly execute and deliver to Lessor and any assignee, mortgagee and/or lender of the Lessor, such other documents and assurances, including, without limitation, such amendments to this Lease as may be reasonably required by Lessor and acceptable to Lessee (and by any assignee, mortgagee and/or lender of the Lessor), and UCC financing statements and continuation statements, and will take such further action as Lessor or any such assignee, mortgagee and/or lender may from time to time request in order to carry out more effectively the intent and purposes of this Lease and to establish and protect the rights and remedies created or intended to be created in favor of Lessor and of any such assignee, mortgagee and/or lender. Upon the occurrence of any Event of Default, Lessee irrevocably appoints Lessor (and any assignee, mortgagee and/or lender of the Lessor) its attorney-in-fact to act in Lessee's name and on its behalf to make, execute, deliver and file any instruments or documents and to take

9-95

any action as Lessor (and any such assignee, mortgagee and/or lender) deems necessary or appropriate to carry out the intent of this Lease or any agreements, documents or instruments related thereto. To the extent appropriate or permissible under applicable law, such appointment is coupled with an interest, shall be irrevocable and shall terminate only upon payment in full of the obligations set forth in this Lease and/or any agreements, documents or instruments related thereto.

Time is of the essence in the payment and performance of all of Lessee's obligations under the Lease. For purposes of 49 USC Section 44108 (c), Lessor and Lessee intend, by virtue of the Lessor having countersigned and accepted the Lease in Rhode Island and by virtue of this Lease being delivered for closing purposes to Lessor's office in Providence, Rhode Island, that this Lease has been executed and delivered in Rhode Island. In all other respects, this Lease shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to principles of conflicts of law or choice of law, including all matters of construction, validity and performance. Lessee hereby irrevocably consents and agrees that any legal action, suit or proceeding arising out of or in any way in connection with this Agreement may be instituted or brought in the courts of the State of New York or the United States District Court for the Southern District of New York, as Lessor may elect, and by execution and delivery of this Lease, Lessee hereby irrevocably accepts and submits to, for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of any such court, and to all proceedings in such courts. To the extent permitted by applicable law, this Lease shall be deemed a "finance lease" under Section 2A-103(g) of the UCC. LESSEE ACKNOWLEDGES AND AGREES THAT THIS LEASE IS A COMMERCIAL TRANSACTION. LESSEE ALSO HEREBY KNOWINGLY AND FREELY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY LITIGATION ARISING HEREFROM OR IN RELATION HERETO.

Section 18. Amendments.

This Lease, and each related instrument, document, agreement and certificate, collectively constitute, and are intended to collectively constitute, the complete and exclusive statement of the terms of the agreement between Lessor and Lessee with respect to the purchase and leasing of the Aircraft. The Lease cancels and supersedes any and all prior or contemporaneous oral or written understandings, memoranda, negotiations, communications and agreements with respect thereto including, without limitation, any proposal letter, commitment letter and/or term sheet delivered to the Lessee by Lessor, unless, with respect to any such written materials only, any term and/or condition thereof expressly supersedes any term and/or condition of this Lease.

NO TERM OR PROVISION OF THIS LEASE MAY BE AMENDED, ALTERED, WAIVED, DISCHARGED OR TERMINATED ORALLY, EXCEPT IN A WRITING SIGNED BY A DULY AUTHORIZED OFFICER OF THE PARTY AGAINST WHOM THE ENFORCEMENT OF THE AMENDMENT, ALTERATION, WAIVER, DISCHARGE OR TERMINATION IS SOUGHT.

THE LESSEE FURTHER CERTIFIES THAT IT UNDERSTANDS ITS RESPONSIBILITIES FOR COMPLIANCE WITH APPLICABLE FARs, PROVIDED HOWEVER, THAT THE LESSEE SHALL NOT BE DEEMED TO BE RESPONSIBLE FOR THE OPERATIONAL CONTROL OF THE AIRCRAFT FOR SO LONG AS THE AIRCRAFT IS IN POSSESSION OF ANY SUBLESSEE THAT IS CERTIFICATED UNDER PART 121 OR PART 135 OF THE FARs IF AND TO THE EXTENT SUCH SUBLEASE IS PERMITTED HEREUNDER. (d) Reports, etc. Annually on the anniversary of the Acceptance Date, Lessee shall furnish to Lessor a report describing in reasonable detail the insurance then carried and maintained on the Aircraft and certifying that such insurance complies with the terms hereof and, if Lessor shall so request, a copy of each applicable policy. In the event Lessee shall fail to maintain insurance as herein provided, Lessor may, at its option, provide such insurance, and Lessee shall, upon demand, reimburse Lessor for the cost thereof, together with interest at the Late Payment Rate from the date of payment through the date of reimbursement.

(e) Agreed Value. Anything herein to the contrary notwithstanding, at all times while the Aircraft is subject to this Lease, the insurance required hereunder shall be for an amount on an "agreed value" basis not less than the Casualty Value.

(f) No Right To Self-Insure. Lessee shall not self-insure (by deductible, premium adjustment, or risk retention arrangement of any kind) the insurance required to be maintained hereunder, except to the extent of deductibles usually and customarily maintained by companies engaged in the same or similar business as Lessee and operating the same or similar aircraft, but in no event shall any deductible exceed the Permitted Deductible amount on Schedule No. 2-A to Lease Supplement No. 1. Lessee agrees to give Lessor prompt notice of any damage to or loss of, the Aircraft, or any part thereof.

(g) Attorney-In-Fact. Effective upon the occurrence of an Event of Default, Lessee irrevocably appoints Lessor (and any assignee, mortgagee and/or lender of the Lessor) its attorney-in-fact to act in Lessee's name and on its behalf to make, execute, deliver and file any instruments or documents, settle, adjust, receive payment, make claim or proof of loss, endorse Lessee's name on any checks, drafts or other instruments in payment of such claims and to take any action as Lessor (and any such assignee, mortgagee and/or lender) deems necessary or appropriate to carry out the intent of this Insurance Addendum or any agreements, documents or instruments related thereto and to endorse Lessee's name on any checks, drafts or other instruments in payment of claims. To the extent appropriate or permissible under applicable law, such appointment is coupled with an interest, shall be irrevocable and shall terminate only upon payment in full of the obligations set forth in this Lease and/or any agreements, documents or instruments related thereto.

PURCHASE, EARLY PURCHASE AND RENEWAL OPTION ADDENDUM ("Option Addendum") to Aircraft Lease (N599DA) dated as of March 30, 2001 (the "Lease") by and between Fleet National Bank, as lessor ("Lessor"), and SM 5105 LLC, as lessee ("Lessee").

All capitalized terms used herein which are not otherwise defined herein shall have the meanings given to such terms in the Lease. Except as set forth herein, all of the terms and conditions of the Lease and any supplements, schedules, addenda, exhibits or the like entered into pursuant to the Lease remain in full force and effect. Execution of the Lease by Lessee and Lessor shall be deemed to constitute execution and acceptance of the terms and conditions hereof, whereupon this Option Addendum shall be deemed to be a part of the Lease.

The following provisions are hereby incorporated into the Lease:

Purchase, Early Purchase and Renewal Options.

(a) End of Term Purchase Option. So long as (i) Lessee shall not have exercised its renewal option pursuant to paragraph (b) hereof and (ii) the Lease shall not have been earlier terminated or cancelled, Lessee shall be entitled, at its option, upon written notice to Lessor at least one hundred fifty (150) days but no more than two hundred forty (240) days prior to the expiration of the Basic Term, to purchase the Aircraft at the expiration of the Basic Term for an amount, payable in immediately available funds, equal to the greater of (i) sixty-four percent (64%) of the Lessor's Cost, or (ii) the Fair Market Sales Value of the Aircraft as of the end of the Basic Term determined in accordance with paragraph (c) hereof, plus any applicable sales, excise or other taxes imposed as a result of such sale (other than gross or net income taxes attributable to such sale) together with any Basic Rent due and payable on or before such Basic Rent Date and all accrued and unpaid Rent then due and owing. Lessor's sale of the Aircraft shall be on an "AS-IS WHERE-IS" BASIS, WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND WHATSOEVER, BY, OR RECOURSE TO, LESSOR.

(b) Renewal Option. So long as (i) no Default or Event of Default shall have occurred and be continuing under the Lease, (ii) Lessee shall not have exercised its purchase option pursuant to paragraph (a) hereof or its early purchase option pursuant to paragraph (e) hereof and (iii) the Lease shall not have been earlier terminated, Lessee shall be entitled, at its option, to extend the Term of the Lease with respect to the Aircraft at the expiration of the Basic Term for an additional period as set forth below. A Renewal Term shall commence at the expiration of the Basic Term. Lessee's option to renew the Lease for a Renewal Term shall be exercisable by giving written notice to Lessor at least one hundred fifty (150) days but no more than two hundred forty (240) days prior to the expiration of the Basic Term. All of the provisions of the Lease shall be applicable during the Renewal Term, except that, during the Renewal Term, the Basic Rent shall be an amount equal to the Aircraft's Fair Market Rental Value, which shall be determined in accordance with paragraph (c) hereof and the Expiration Date shall be changed to the date the last day of the Renewal Term. During the Renewal Term, Basic Rent shall be payable monthly in advance on the same day of each month as Basic Rent was payable during the Basic Term, which dates shall be deemed "Basic Rent Dates" for purposes of the Lease.

(c) Determination of Fair Market Sales and Rental Values. If Lessee has elected to exercise its purchase or renewal options, as provided in paragraphs (a) or (b) hereof, then as soon as practicable following Lessor's receipt of the written notice from Lessee of Lessee's intent to exercise such option, Lessor and Lessee shall consult for the purpose of determining the Fair Market Sales Value or Fair Market Rental Value, as applicable, (as defined below) of the Aircraft as of the end of the Basic Term, and any values agreed upon in writing shall constitute such Fair Market Sales Value or Fair Market Rental Value, as the case may be, of the Aircraft for the purposes of this Option Addendum. If Lessor and Lessee fail to agree upon such value prior to one hundred thirty-five (135) days before the expiration of the Basic Term, Lessor shall appoint an independent appraiser (reasonably acceptable to Lessee) to determine Fair Market Sales Value or Fair Market Rental Value, as the case may be, and that determination shall be final, binding and conclusive. Lessee and Lessor agree to split the costs and

(PART 3)

expenses of any such appraisal. For the purposes of this Option Addendum, "Fair Market Sales Value" and "Fair Market Rental Value" shall be determined on the basis of, and shall equal in value, the amount which would be obtained in an arm's length transaction between an informed and willing buyer-user or lessee, as the case may be, (who is neither a lessee in possession nor a used equipment dealer) and an informed and willing seller or lessor, as the case may be, under no compulsion to sell or lease, as the case may be, and in such determination costs of removal of the Aircraft from its then location shall not be a deduction from such Fair Market Sales Value or Fair Market Rental Value, as the case may be, and it shall be assumed (whether or not the same be true) that the Aircraft has been maintained by Lessee and returned to Lessor in accordance with the provisions of the Lease. If on the date upon which Lessee exercises its purchase option pursuant to paragraph (a) above, the actual average annual flight hours accumulated with respect to the Airframe (such product, the "Actual Annual Hours") for the period from the Acceptance Date to such purchase date (such period, the "Operating Period"), is greater than the Estimated Annual Hours (as defined below), then, Lessor and Lessee shall consult for the purpose of determining the Fair Market Sales Value and the Excess Use Amount (as defined below) of the Aircraft as of such purchase date, and any values agreed upon in writing shall constitute such Fair Market Sales Value and Excess Use Amount of the Aircraft for the purposes of this Option Addendum. If Lessor and Lessee fail to agree upon such values within 30 days after the purchase date, then Lessor and Lessee shall follow the appraisal procedure set forth in this paragraph (c) for the purpose of determining the Fair Market Sales Value and Excess Use Amount of the Aircraft. Lessee shall then pay to Lessor within ten (10) days of Lessor's written demand therefor (which demand shall, unless determination of the amount payable is otherwise agreed upon by Lessor and Lessee without consulting with an appraiser, be accompanied by a copy of an appraiser's report containing such determination), an amount equal to the Excess Use Amount. For the purposes of this Option Addendum, (A) "Excess Use Amount" shall mean the amount by which the Aircraft's Fair Market Sales Value has been diminished as a result of the Actual Annual Hours accumulated with respect to the Airframe during the Operating Period being greater than the Estimated Annual Hours per annum on average; and (B) "Estimated Annual Hours" shall mean the anticipated number of average annual flight hours as shown on Schedule 2-A to Lease Supplement No. 1. Without limiting the generality of any other provision of the Lease, Lessee's obligation to pay the Excess Use Amount shall survive the expiration of this Lease.

(d) Time to Exercise Option. Lessee shall be deemed to have waived the foregoing purchase option and renewal option unless Lessee provides Lessor with written notice of its irrevocable election to exercise the applicable option within fifteen (15) days after the Fair Market Sales Value and/or Fair Market Rental Value, as applicable, is determined (by agreement or appraisal).

(e) Early Purchase Option. So long as no Default or Event of Default (that can be cured by payment of money) shall have occurred and be continuing hereunder, Lessee shall be entitled, at its option, on each Early Purchase Date upon written notice to Lessor of at least one hundred twenty (120) but no more than one hundred eighty (180) days prior to the proposed Early Purchase Date, to purchase the Aircraft. Such early purchase by Lessee shall be effective upon the payment to the Lessor on the Early Purchase Date of an amount equal to the applicable Early Purchase Option Amount together any applicable sales, excise or other taxes imposed as a result of such sale (other than gross or net income taxes attributable to such sale), any Basic Rent due and owing on or before such Early Purchase Date and all accrued and unpaid Rent then due and owing for the Aircraft.

On the Early Purchase Date, but in no event prior to Lessor's receipt of the amounts specified in this paragraph (e), Lessor shall sell the Aircraft to Lessee on an "AS-IS, WHERE-IS" BASIS, WITHOUT ANY REPRESENTATION BY, OR RECOURSE OR WARRANTY, EXPRESS OR IMPLIED, OF ANY KIND WHATSOEVER TO LESSOR. Upon receipt of the amounts specified in the foregoing paragraph and upon consummation of the sale of the Aircraft, this Lease shall be deemed terminated.

Unless and until the foregoing payments and performance have been made and/or observed in full by Lessee, Lessee's obligations under this Lease, including, without limitation, the obligation to pay Basic Rent for the Aircraft, shall continue in full force and effect.

9-41

Notwithstanding anything to the contrary contained herein or otherwise, Lessee shall not be entitled to purchase the Aircraft pursuant to this paragraph (e) if an Event of Default or Default shall have occurred and be continuing, this Lease shall have been earlier terminated and/or the Aircraft purchased or upgraded on or prior to the proposed Early Purchase Date.

(f) Additional Definitions. For purposes of this Option Addendum and the Lease, the following terms shall have the following meanings:

Renewal Term shall mean a period of twelve months.

Early Purchase Date shall mean each of the Basic Rent Date designated as such on Schedule 2A to Lease Supplement No. 1.

Early Purchase Option Amount shall be the amount payable by the Lessee in the event that it exercises its option to purchase the Aircraft pursuant to paragraph (e) hereof, and shall be determined by multiplying the Lessor's Cost of the Aircraft by the percentage set forth opposite the applicable Early Purchase Date set forth on Schedule No. 2-A to Lease Supplement No. 1 to the Lease.

MAINTENANCE AND RETURN ADDENDUM ("M&R Addendum") to Aircraft Lease (N599DA) dated as of March 30, 2001 (the "Lease") by and between Fleet National Bank, as lessor ("Lessor"), and SM 5105 LLC, as lessee ("Lessee").

All capitalized terms used herein which are not otherwise defined herein shall have the meanings given to such terms in the Lease. Except as set forth herein, all of the terms and conditions of the Lease and any supplements, schedules, addenda, exhibits or the like entered into pursuant to the Lease remain in full force and effect. Execution of the Lease by Lessee and Lessor shall be deemed to constitute execution and acceptance of the terms and conditions hereof, whereupon this M&R Addendum shall be deemed to be a part of the Lease.

The following provisions are hereby incorporated into the Lease:

I. Maintenance of Aircraft.

(a) Maintenance and Operation. During the Term, Lessee, at its own cost and expense, shall (i) maintain, inspect, service, repair, overhaul and test the Airframe and each Engine in accordance with FAA approved and Manufacturer's recommended maintenance programs; (ii) maintain (in the English language) all Records and (iii) promptly furnish to Lessor such information as may be required to enable Lessor to file any reports required by any governmental authority as a result of Lessor's ownership of the Aircraft. All maintenance procedures shall be performed in accordance with all FAA and Manufacturer's standards and procedures by properly trained, licensed, and certified maintenance sources and maintenance personnel utilizing replacement parts approved by the FAA and the Manufacturer, so as to keep the Airframe and each Engine and Part in good operating condition, ordinary wear and tear alone excepted, and to enable the airworthiness certificate for the Aircraft to be continually maintained.

In the event any Engine is damaged or is being inspected or overhauled, Lessee, at its option, may substitute another engine of the same make and model as the Engine being repaired or overhauled provided such Engine is approved by the FAA and the manufacturer of the Airframe for use on the Aircraft (any such substitute engine being hereinafter referred to as a "Loaner Engine") during the period of such repair or overhaul and provided further (x) installation of the Loaner Engine is performed by an FAA and manufacturer certified mechanic with respect to an aircraft of the type of the Aircraft, (y) the Loaner Engine is removed and the repaired or overhauled original Engine is reinstalled on the Airframe promptly upon completion of the repair or overhaul of the original Engine but in no event later than the expiration, cancellation or earlier termination of the Term and (z) the Loaner Engine is free and clear of all Liens and is maintained in accordance herewith.

(b) Additions, Alterations and Replacement Parts. Lessee shall be entitled from time to time during the Term to acquire and install on the Aircraft at Lessee's own cost and expense (and Lessor hereby appoints Lessee to be Lessor's agent for such purpose, so long as no Event of Default has occurred and is continuing), any additional accessory, device or equipment as may be available at such time ("Additions") but only so long as such Additions (i) are ancillary to the Aircraft; (ii) are not required to render the Aircraft complete for its intended use by Lessee; (iii) will not impair the originally intended function or use of the Aircraft or diminish the value of the same; (iv) can be readily removed without causing material damage to the Aircraft and (v) in the event that Lessee has executed a Special Tax Indemnity Rider to the Lease, do not result in a "Tax Loss" as such term is defined in such Special Tax Indemnity Rider. Title to each Addition which is not removed by Lessee prior to the return of the Aircraft to Lessor shall vest in Lessor upon such return.

Any alteration or modification ("Alterations") with respect to the Aircraft that may at any time during the Term be required to comply with any applicable law or any governmental rule or regulation, including, without limitation, any airworthiness directives, shall be made at the expense of Lessee.

9-37

Lessee, at its own cost and expense, will promptly replace all Parts which may from time to time become worn out, lost, stolen, taken, destroyed, seized, confiscated, requisitioned, damaged beyond repair or permanently rendered or declared unfit for use for any reason whatsoever.

Lessee shall repair all damage to the Aircraft resulting from the installation and removal of Additions, Alterations and/or replacement parts so as to restore the Aircraft to its condition prior to installation, ordinary wear and tear excepted.

Alterations and/or replacement parts shall be deemed accessions, and title thereto shall be immediately vested in Lessor without cost or expense to Lessor.

(c) Aircraft Marking. Lessee agrees, at its own cost and expense, to (i) cause the Airframe and the Engines to be kept numbered with the identification or serial number therefor as specified in Schedule No. 1 to Lease Supplement No. 1 hereof; (ii) prominently display on the Aircraft that "N" number, and only that "N" number, specified in Schedule No. 1 to Lease Supplement No. 1 or such other "N" number as has been approved in writing by the Lessor and duly recorded with the FAA; (iii) notify Lessor in writing thirty (30) days prior to making any change in the configuration, appearance or coloring of the Aircraft from the time the Aircraft is accepted by Lessee hereunder (other than changes in configuration mandated by the FAA or changes which are reasonably consistent with the configuration, appearance and coloring of the Aircraft as of the Acceptance Date) and in the event of any such change or modification of configuration, coloring or appearance, (other than as permitted hereby) at the request of Lessor to restore the Aircraft to the configuration, coloring and/or appearance of the Aircraft as of the Acceptance Date or, at Lessor's option to pay to Lessor an amount equal to the reasonable cost of such restoration and (iv) affix and maintain in the Airframe adjacent to the airworthiness certificate and on each Engine a two-inch by four-inch plaque made of metal or other permanent material or permanently painted stencil bearing the following legend:

"This property is Owned by and Leased from Fleet National Bank, c/o Fleet Capital Corporation, One Financial Plaza, Fifth Floor, Providence, Rhode Island 02903. Any removal, alteration, disposal or other change in the condition or location of this property must be approved by the Owner-Lessor."

and such other markings as from time to time may be required by law or otherwise deemed necessary or advisable by Lessor in order to protect the title of Lessor to the Aircraft and the rights of Lessor under this Lease.

II. Return of Aircraft

(a) Condition Upon Return. Unless purchased by Lessee, upon the expiration, cancellation or other termination of the Lease (whether following an Event of Default or otherwise), Lessee, at its own expense, will return the Aircraft (together with all Records) to Lessor at a location specified by the Lessor within the continental United States and in the condition in which the Aircraft is required to be maintained pursuant to this M&R Addendum and any other applicable provisions of the Lease. The Aircraft shall be fully equipped with the Engines or the same number, make and model number of engines as are set forth on Schedule No. 1 to Lease Supplement No. 1, which shall fully comply with this M&R Addendum, and which, in the opinion of Lessor, have the same or improved utility, value, useful life, performance, and efficiency (normal wear and tear excepted) as the Engines had on the Acceptance Date and are suitable for use on the Airframe and owned by Lessor and properly installed thereon. Lessee shall not be relieved of any of its duties, obligations, covenants, or agreements under the Lease (including, without limitation, its obligation to pay Rent) prior to the return of the Aircraft in the manner and condition required with respect to such return. In addition, upon the return of the Aircraft, upon the expiration or other termination of this Lease (whether following an Event of Default or otherwise), Lessee shall pay to Lessor the Remarketing Fee. The Aircraft, at Lessee's expense, upon redelivery pursuant hereto (i) shall have a currently effective FAA airworthiness certificate; (ii) shall be free and clear of all Liens other than the Lease and any Lessor's Liens; (iii) shall be in the same configuration and in the same operating condition, ordinary wear and tear excepted, as when delivered to Lessee on the

Acceptance Date; (iv) shall be in good operating condition, in good physical condition and good appearance (ordinary wear and tear excepted) with all systems operating normally; (v) shall have no damage history (including, without limitation, any damage history required to be reported on a FAA form #337 or pursuant to any other governmental reporting requirement), unless such damage history has been repaired in accordance with the provisions hereof, and after the making of such repairs, the value of the Aircraft has not been negatively affected (or in the event that the value of the Aircraft continues to be negatively affected after such repairs, Lessee may avoid any Default that might otherwise result therefrom by paying to Lessor an amount equal to the difference between the value of the Aircraft without such history and the value of the Aircraft with such history); (vi) shall have no open (and shall be in compliance with) all mandatory service bulletins, manufacturer's directives or airworthiness directives and all other applicable service, maintenance, repair and overhaul regulations issued by the FAA and/or any Manufacturer, and (vii) shall be otherwise in the condition and repair required under the Lease. For purposes of clause (v) of the preceding sentence, the existence and the extent of any diminution in value contemplated therein shall be determined by mutual agreement, and if no such agreement is reached between the parties within ten (10) Business Days of Lessor's notice that it desires a valuation with respect to such damage history (the "Damage History Notice"), the parties will use the appraisal process set forth in Paragraph (c) of the Option Addendum to determine the existence and extent of such diminution. The parties will use their best efforts to complete such valuation as promptly as practicable, but, in any event, within thirty (30) Business Days after the Damage History Notice. A final determination regarding the existence and extent of any diminution shall be binding and conclusive on both parties. Upon Lessor's request, Lessee shall assign to Lessor Lessee's rights under any manufacturer's or servicer's maintenance service contracts and/or extended warranties for the Aircraft, the Engines and/or any Parts. If at the time of the return of the Aircraft to Lessor, the actual average annual flight hours accumulated with respect to the Airframe (such product, the "Actual Annual Hours") for the period from the Acceptance Date to such return date (such period, the "Operating Period"), is ten percent (10%) greater than the Estimated Annual Hours (as defined below), then, Lessor and Lessee shall consult for the purpose of determining the Fair Market Sales Value and the Excess Use Amount (as defined below) of the Aircraft as of the return date, and any values agreed upon in writing shall constitute such Fair Market Sales Value and Excess Use Amount of the Aircraft for the purposes of this M&R Addendum. If Lessor and Lessee fail to agree upon such values within 30 days after the return date, then Lessor and Lessee shall follow the appraisal procedure set forth in paragraph (c) of the Option Addendum to the Lease for the purpose of determining the Fair Market Sales Value and Excess Use Amount of the Aircraft. Lessee shall then pay to Lessor within ten (10) days of Lessor's written demand therefor (which demand shall, unless determination of the amount payable is otherwise agreed upon by Lessor and Lessee without consulting with an appraiser, be accompanied by a copy of an appraiser's report containing such determination), an amount equal to the Excess Use Amount. For the purposes of this M&R Addendum, (A) "Excess Use Amount" shall mean the amount by which the Aircraft's Fair Market Sales Value has been diminished as a result of the Actual Annual Hours accumulated with respect to the Airframe during the Operating Period being greater than the Estimated Annual Hours per annum on average; and (B) "Estimated Annual Hours" shall mean the anticipated number of average annual flight hours as shown on Schedule 2-A to Lease Supplement No. 1.

(b) Mid-Life Condition. At the time of such return (i) each Engine shall have available operating hours until both the next scheduled "hot section" inspection and the next scheduled major overhaul of not less than fifty percent (50%) of the total operating hours available between such "hot section" inspection or major overhaul, as the case may be; (ii) the Airframe shall have remaining not less than (aa) fifty percent (50%) of the available operating hours allowed between major airframe inspections; and (bb) fifty percent (50%) of number of available operating months allowed between major airframe inspections until the next scheduled major airframe inspection; and (iii) all life limited parts and components shall have remaining not less than fifty percent (50%) of the available hours, cycles and/or months, as the case may be, until the next scheduled replacement. In addition to the requirements set forth in clauses (i), (ii) and (iii) above, all inspections and scheduled maintenance required to be performed on the Airframe, Engines and all life limited parts and components within one hundred twenty (120) days of the date of return and/or one hundred hours (100) of additional operation shall have been performed by Lessee.

9-33

(c) Engines. In the event that any Engine does not meet the conditions set forth in Section II (b) (i) above, for each such Engine Lessee shall pay Lessor an amount equal to the sum of (i) the current estimated cost of the next scheduled "hot section" inspection (including in such estimated cost, all required replacements of life limited parts) multiplied by the fraction wherein the numerator shall be the greater of (A) zero and (B) the remainder of (x) the actual number of operating hours since the previous hot section inspection, minus (y) 50% of the total operating hours allowable between hot section inspections, and the denominator shall be the total operating hours allowable between hot section inspections, plus (ii) for each such Engine, the product of the current cost of the next scheduled major overhaul (including in such estimated cost, all required replacements of life limited parts) multiplied by the fraction wherein the numerator shall be the greater of (A) zero and (B) the remainder of (x) the actual number of hours of operation since the previous major overhaul minus (y) 50% of the total operating hours allowable between major overhauls, and the denominator shall be the total operating hours allowable between major overhauls.

Notwithstanding the foregoing, the requirements of Section II (b)(i) above and the final sentence of Section II (b) above (but solely with respect to the Engines) shall be deemed to have been satisfied if at the time of return of the Engines (x) the Engines being returned to Lessor shall be covered by a service and maintenance contract in form and substance reasonably satisfactory to Lessor which provides for the maintenance and/or overhaul of the Engines ("Maintenance Contract"), (y) either (i) adequate reserves for future required maintenance and/or overhaul shall have been provided for pursuant to such Maintenance Contract or (ii) all amounts due and payable pursuant to such Maintenance Contract shall have been paid in full through the date of return and (z) the entity which provides the maintenance and/or overhaul services under such Maintenance shall either (i) recognize the transfer by Lessee to Lessor of the rights and interests of Lessor (or its designee) under such Maintenance Contract or (ii) acknowledge the rights and interests of Lessor (or its designee) under such Maintenance Contract.

(d) Airframe. In the event that the Airframe does not meet the conditions set forth in Section II (b) (ii) above, Lessee shall pay Lessor an amount equal to the sum of the product of the current estimated cost of the next scheduled major airframe and pressure vessel inspection (including in such estimated cost, all required replacement of life limited parts) multiplied by the greater of the fraction wherein the numerator shall be the greater of (i) zero and (ii) the remainder of (x) the actual number of respective operating hours or months of operation since previous major airframe and pressure vessel inspection, minus (y) 50% of the respective total operating hours or months of operation allowable between scheduled major airframe and pressure vessel inspections, and the denominator shall be the respective total operating hours or months of operation between scheduled major airframe and pressure vessel inspections.

(e) Parts and Components. In the event any life limited part or component does not meet the conditions set forth in Section II (b)(iii) above, Lessee shall pay to Lessor with respect to each part or component for which said requirement is not met the dollar amount obtained by multiplying (i) the ratio that the life expended in excess of fifty percent (50%) of the available hours, cycles and/or months, as the case may be, until the next scheduled replacement bears to the total allowable life (measured in hours, cycles and/or months, as the case may be) for such part or component by (ii) Lessor's cost of replacement of such part or component. Lessor's cost of replacement of a part or component shall include Lessor's then current cost of purchasing the part or component itself and all of Lessor's then current costs associated with the replacement.

(f) Treatment of Charges. All prorated inspection and/or overhaul charges, if any, shall be payable as Supplemental Rent and shall be due upon presentation to Lessee of an invoice setting forth in reasonable detail the calculation of such amounts due, including the names of all sources used for the required cost estimates. Unless both Lessor and Lessee agree to an alternative source, the Manufacturers of the Airframe and Engines shall be used as the sources for all cost estimates.

0 0 0 0 0 0 0 0 9 5 0

4-31

(g) Fuel and Records. Upon the return of the Aircraft in accordance with the terms and conditions hereof; (i) each fuel tank shall contain no less than fifty percent (50%) of its full capacity or, in the case of differences in such quantity, an appropriate adjustment will be made at the then current market price of fuel and (ii) Lessee shall deliver all Records to Lessor. In the event any Records are missing or incomplete, Lessor shall have the right to cause any such Records to be reconstructed at the reasonable expense of Lessee.

(h) Storage. Upon the expiration, cancellation or other termination of the Lease, Lessee will, if requested by Lessor, permit Lessor to store the Aircraft at the Primary Hangar Location. During such storage period Lessee will, at its own cost and expense, keep the Aircraft properly hangared, and will permit Lessor or any Person designated by Lessor, including the authorized representatives of any prospective purchaser, lessee or user of the Aircraft to inspect the same. Lessee shall not be liable, except in the case of negligence, gross negligence or intentional misconduct of Lessee or of its employees or agents, for injury to, or the death of, any Person exercising, either on behalf of Lessor or any prospective purchaser, lessee or user, the rights of inspection granted hereunder. Lessee shall bear the risk of loss and shall pay any and all expenses connected with insuring and maintaining the Aircraft during such storage period. Notwithstanding the foregoing, upon the expiration of the Term for any reason other than an expiration, cancellation or termination which occurs as a result of an Event of Default, the storage period provided for in this paragraph and the obligation to hangar and insure the Aircraft shall be limited to fifteen (15) days.

(i) Replacement Engines. In the event that any engine not owned by Lessor shall be installed on the returned Airframe as set forth in Section II.(a) hereof, then Lessee will, concurrently with such delivery, at its own expense, furnish Lessor with a full warranty bill of sale, in form and substance satisfactory to Lessor, with respect to each such engine and with a written opinion of FAA Counsel to the effect that, upon such return, Lessor will acquire a valid and perfected interest in such engine free and clear of all Liens (except Lessor's Liens). Thereupon, unless a Default or Event of Default shall have occurred and be continuing, Lessor will transfer to Lessee, on an "AS-IS, WHERE-IS" BASIS WITHOUT ANY REPRESENTATION OR WARRANTY BY, OR RECOURSE OR WARRANTY TO, LESSOR, all of Lessor's right, title and interest in and to any Engine not installed on the Airframe at the time of the return of such Airframe.

(j) Inspections. Not more than ninety (90) days prior to the expiration of the Lease, upon the written request of Lessor, Lessee shall, at its expense, review the maintenance records of the Aircraft to determine if the Aircraft is in the condition required by this M&R Addendum. Following such review, Lessee shall certify to Lessor that such Aircraft is in the condition required by this M&R Addendum according to the maintenance records for such Aircraft, or, if the maintenance records so indicate, indicate what maintenance or repair is needed to bring the Aircraft to the specified condition.

Lessor shall have the right, but not the duty, to inspect the Aircraft, any component thereof and/or the Records, at any reasonable time and from time to time, wherever located, upon reasonable prior written notice to Lessee. Upon request of Lessor, Lessee shall confirm to Lessor the location of the Aircraft and shall, at any reasonable time and from time to time, upon reasonable prior written notice to Lessee, make the Aircraft and/or the Records available to Lessor for inspection.

(k) Survival. The provisions of this M&R Addendum shall survive the expiration, cancellation or other termination of the Lease and the return of the Aircraft for any reason whatsoever.

(l) Injunctive Relief. Without limiting any other terms or conditions of the Lease, the provisions of this M&R Addendum are of the essence of the Lease, and upon application to any court of equity having jurisdiction, Lessor shall be entitled to a decree against Lessee requiring specific performance of the covenants of Lessee set forth herein.

UPGRADE ADDENDUM ("Upgrade Addendum") to Aircraft Lease (N599DA) dated as of March 30, 2001 (the "Lease") by and between Fleet National Bank, as lessor ("Lessor"), and SM 5105 LLC, as lessee ("Lessee").

All capitalized terms used herein which are not otherwise defined herein shall have the meanings given to such terms in the Lease. Except as set forth herein, all of the terms and conditions of the Lease and any supplements, schedules, addenda, exhibits or the like entered into pursuant to the Lease remain in full force and effect. Execution of the Lease by Lessee and Lessor shall be deemed to constitute execution and acceptance of the terms and conditions hereof, whereupon this Upgrade Addendum shall be deemed to be a part of the Lease.

The following provisions are hereby incorporated into the Lease:

Upgrade Option. So long as no Default or Event of Default shall have occurred and be continuing hereunder, Lessee shall be entitled, at its option, upon at least one hundred twenty (120) days but no more than two hundred forty (240) days prior written notice to Lessor, to replace the Aircraft on any Basic Rent Date commencing with the seventy-second (72nd) Basic Rent Date and ending with the one hundred eighth (108th) Basic Rent Date (any such date for purposes of this Section called an "Upgrade Date"), with an aircraft (the "Upgrade Aircraft") which has a value, utility, and useful life better than the Aircraft immediately prior to the exercise by Lessee of its option under this Upgrade Addendum to upgrade the Aircraft. Any such proposed Upgrade Aircraft shall be expressly subject to the prior written approval and consent of the Lessor, which approval and consent shall be given, if at all, in Lessor's sole discretion. On the Upgrade Date, the Lessee shall pay to Lessor in immediately available funds, (i) the Upgrade Option Amount, (ii) the Basic Rent due for the Aircraft on the Upgrade Date, (iii) all accrued and unpaid Rent then due and owing plus (iv) any applicable sales, excise or other taxes imposed as a result of the sale of the Aircraft (other than gross or net income taxes attributable to such sale). Upon full compliance by Lessee with the terms of this Upgrade Addendum, the Lease shall terminate and Lessor will transfer to Lessee or its designee, all of Lessor's right, title and interest, if any, in and to the Aircraft. **SUCH TRANSFER SHALL BE "AS-IS, WHERE-IS," WITHOUT RECOURSE TO LESSOR, AND LESSOR SHALL NOT BE DEEMED TO HAVE MADE, AND LESSOR HEREBY DISCLAIMS, ANY REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO THE AIRCRAFT SO TRANSFERRED TO LESSEE.**

Notwithstanding anything to the contrary contained herein or otherwise, until such time as the Lease is actually terminated pursuant to the terms hereof, in no event shall Lessee's exercise of this option to upgrade the Aircraft under the circumstances contemplated by the terms of this Upgrade Addendum result in any reduction in or delay in the payment of Basic Rent or any other payments of any kind whatsoever due under the Lease or relieve Lessee of any obligations of any kind whatsoever under the Lease or any document, agreement or instrument related thereto.

Lessor's Option to Lease. If the Lessor determines that the Upgrade Aircraft is acceptable, Lessor shall have the option, subject to satisfaction of Lessor's then current underwriting standards and completion of Lessor's then current underwriting process, to lease the Upgrade Aircraft to Lessee pursuant to the terms hereof. In the event that Lessor exercises its option to lease pursuant hereto, on the Upgrade Date Lessee, at its own cost and expense, shall convey to the Lessor good and marketable title to the Upgrade Aircraft, free and clear of any Liens or title defects of any kind whatsoever (for no additional cost to Lessor, including, without limitation, any purchase price amounts or any taxes of any kind whatsoever relating to the conveyance or the sale of the Upgrade Aircraft). Prior to or at the time of any such conveyance, Lessee, at its own cost and expense, will furnish Lessor with such documents to evidence such conveyance as Lessor shall request in its sole discretion, including, without limitation, bills of sale and opinions of Lessee's counsel and FAA Counsel comparable to those furnished on the Acceptance Date, which documents shall be in form and substance satisfactory in all respects to Lessor in its sole discretion. In addition, Lessor and Lessee agree that any such lease financing of the Upgrade Aircraft shall be effected utilizing documentation which reflects Lessor's then current standard aircraft lease financing documents, but taking into account the

negotiated points of the Lease, and the financial terms of such financing shall reflect Lessor's then current financial terms for similar customers and aircraft.

In the event, and only in such event, that Lessor elects not to exercise the foregoing option to lease, Lessee shall be entitled to exercise the upgrade option set forth in this Upgrade Addendum free and clear of Lessor's option to lease.

Additional Terms and Definitions. For purposes of this Upgrade Addendum and the Lease, the following definitions and terms shall apply:

Upgrade Option Amount shall mean (i) in the event that Lessor exercises its option to lease the Upgrade Aircraft to Lessee: an amount equal to the Lessor's Cost multiplied by the factor set forth on Schedule No. 4 to Lease Supplement No. 1 to the Lease for the applicable Upgrade Option Date or (ii) in the event that Lessor does not exercise its option to lease the Upgrade Aircraft to Lessee: an amount equal to the greater of (A) the Fair Market Value of the Aircraft and (B) an amount equal to the Lessor's Cost multiplied by the factor set forth on Schedule No. 4 to Lease Supplement No. 1 to the Lease for the applicable Upgrade Option Date.

Determining Fair Market Value: If Lessee has elected to exercise its upgrade option, then as soon as practicable following Lessor's receipt of the written notice from Lessee of Lessee's intent to exercise such option, Lessor and Lessee shall consult for the purpose of determining the Fair Market Value of the Aircraft as of the Upgrade Date. Any values agreed upon in writing shall constitute such Fair Market Value of the Aircraft for the purposes of this Upgrade Addendum. If Lessor and Lessee fail to agree upon such value within thirty (30) days after Lessee has elected its upgrade option, Lessor shall appoint an independent appraiser (reasonably acceptable to Lessee) to determine Fair Market Value and that determination shall be final, binding and conclusive. Lessee agrees to pay the costs and expenses of any such appraisal.

Closing Documents:

On or prior to the Acceptance Date, Lessee has delivered or caused to be delivered the following Closing Documents to Lessor:

1. The duly executed Aircraft Purchase Agreement between Supplier and SM 5105 LLC dated January 31, 2001, together with all addenda thereto, and, if applicable, the duly executed and authorized assignments of same to Lessor in form and substance satisfactory to Lessor.

2. Invoices for the Aircraft, including the Engines, from the Supplier showing Lessor as the purchaser thereof, and, if applicable, the duly executed and authorized assignments of same to Lessor in form and substance satisfactory to Lessor, and evidence that such invoices have been paid in full.

3. Evidence of reservation of an "N" number for the Aircraft, together with an assignment of Lessee's rights in such "N" number to Lessor.

4. A copy of the Standard Airworthiness Certificate (FAA Form 8100-2) issued by the FAA for the Aircraft.

5. A certificate or certificates, executed by the managing members or secretary, as the case may be, or other authorized representatives of Lessee and each Guarantor, as applicable, certifying: (A) that execution, delivery and performance of this Lease, the Guaranty to which such Guarantor is a party, and all ancillary documentation and the entrance by Lessee and such Guarantor into the transactions contemplated hereby and thereby have been authorized and (B) the name(s) of the person(s) authorized to execute and deliver such documents on behalf of Lessee and such Guarantor together with specimen signature(s) of such person, and (C) the organizational documents of Lessee and such Guarantor.

6. A certificate of insurance as to the coverage required under the Lease accompanied, if requested by Lessor, by the applicable policies and reports of insurance brokers or underwriters pursuant thereto as to the conformity of such coverage with such requirements.

In the alternative, in lieu of executing UCC financing statements, Lessee hereby authorizes Lessor, in such jurisdictions where such action is authorized by law, to effect any such recordation or filing without the signature of Lessee thereto.

9.
